

# THE SCANDINAVIANS

## FROM THE VENDEL PERIOD TO THE TENTH CENTURY

An Ethnographic Perspective

Edited by Judith Jesch

# Scandinavians From The Vendel Period To The Tenth Century

**Leonard Neidorf**

## **Scandinavians From The Vendel Period To The Tenth Century:**

*The Scandinavians from the Vendel Period to the Tenth Century* Judith Jesch, 2012 Ethnographic studies trace the background to and impact of urbanisation and Christianisation and the development of royal power which stimulated the transition from the Viking age to the medieval period Using the evidence of archaeology poetry legal texts and annals this volume investigates the social economic and symbolic structures of early Scandinavia at the time of the Viking expansion The contributors provide an outline ethnography covering dwellings and settlements kinship and social relations law political structures and external relations rural and urban economies and the ideology of warfare The topics are discussed through case studies illustrating the changing scholarly interpretations of this formative period in Scandinavian history By addressing these key research questions the contributions trace the background to and the impact of urbanisation and Christianisation and the development of royal power which stimulated the transition from the Viking age to the medieval period in Scandinavia JUDITH JESCH is Professor in Viking Studies at the University of Nottingham Contributors LENA HOLMQUIST OLAUSSEN BENTE MAGNUS E VESTERGAARD BIRGIT ARRHENIUS STEFAN BRINK LISE BENDER JORGENSEN SVEND NIELSEN FRANDS HERSCHEND NIELS LUND DAVID N DUMVILLE JUDITH JESCH DENNIS H GREEN *The Scandinavians from the Vendel Period to the Tenth Century* Conference on studies in historical archaeoethnology, 2002

*Adam of Bremen's Gesta Hammaburgensis Ecclesiae Pontificum* Grzegorz Bartusik, Radosław Biskup, Jakub Morawiec, 2022-07-29 Adam of Bremen's *Gesta Hammaburgensis Ecclesiae Pontificum* is one of the most important accounts documenting the history geography and ethnology of Northern and Central Eastern Europe in the period between the ninth and eleventh centuries Its author a canon of the archdiocese of Hamburg Bremen remains an almost anonymous figure but his text is an essential source for the study of the early medieval Baltic However despite its undisputed status past scholarship has tended to treat Adam of Bremen's account as on the one hand an historically accurate document but on the other a literary artefact containing few if any reliable historical facts The studies collected in this volume investigate the origins and context of the *Gesta* and will enable researchers to better understand and evaluate the historical veracity of the text **Franks and Northmen** Daniel Melleno, 2024-06-03 *Franks and Northmen* explores the full spectrum of Franco Scandinavian interaction examining not just violence but also less well known relationships centered on acts of diplomacy commerce and mission and demonstrating the transformative nature of cross cultural encounter during the Viking Age In the year 777 the Frankish sources mention the Northmen better known to most as the Vikings for the first time By the tenth century these Northmen once a mysterious people on the borders of the Carolingian Empire would be a familiar presence in the Frankish world As raiders and pillagers the Vikings would fill the pages of Frankish authors leaving a legacy that continues to fascinate even to the twenty first century But a closer look at sources both textual and material reveals that the relationships between Franks and Northmen were far more complex and multifaceted than a rigid focus on Viking violence

might suggest Merchants carried goods across the North Sea missionaries encouraged new ways of understanding the world and Franks and Northmen formed relationships and bonds even amidst conflict and violence This study is a useful resource for both students and specialists of central and northern Europe in the early medieval period **The Dating of Beowulf**

Leonard Neidorf,2014 Examinations of the date of Beowulf have tremendous significance for Anglo Saxon culture in general

**Towns and Commerce in Viking-Age Scandinavia** Sven Kalmring,2024-01-25 This volume offers an interdisciplinary and geographically wide ranging approach to understanding the emergence of towns and commerce in Viking age

Scandinavia and their eventual demise by the end of the period It tracks the diverging characteristics of urban communities against the background of traditional social structures in the Viking world *Representing Beasts in Early Medieval*

*England and Scandinavia* Michael D. J. Bintley,Thomas J. T. Williams,2015 Essays on the depiction of animals birds and insects in early medieval material culture from texts to carvings to the landscape itself For people in the early Middle Ages the earth air water and ether teemed with other beings Some of these were sentient creatures that swam flew slithered or stalked through the same environments inhabited by their human contemporaries Others were objects that a modern beholder would be unlikely to think of as living things but could yet be considered to possess a vitality that rendered them potent Still others were things half glimpsed on a dark night or seen only in the mind s eye strange beasts that haunted dreams and visions or inhabited exotic lands beyond the compass of everyday knowledge This book discusses the various ways in which the early English and Scandinavians thought about and represented these other inhabitants of their world and considers the multi faceted nature of the relationship between people and beasts Drawing on the evidence of material culture art language literature place names and landscapes the studies presented here reveal a world where the boundaries between humans animals monsters and objects were blurred and often permeable and where to represent the bestial could be to hold a mirror to the self Michael D J Bintley is Senior Lecturer in Medieval Literature at Canterbury Christ Church University

Thomas J T Williams is a doctoral researcher at UCL s Institute of Archaeology Contributors No l Adams John Baker Michael D J Bintley Sue Brunning L szl S ndor Chardonnens Della Hooke Eric Lacey Richard North Marijane Osborn Victoria Symons

Thomas J Williams **Ancestor Worship and the Elite in Late Iron Age Scandinavia** Triin Laidoner,2020-01-14 Ancestor worship is often assumed by contemporary European audiences to be an outdated and primitive tradition with little relevance to our societies past and present This book questions that assumption and seeks to determine whether ancestor ideology was an integral part of religion in Viking Age and early medieval Scandinavia The concept is examined from a broad socio anthropological perspective which is used to structure a set of case studies which analyse the cults of specific individuals in Old Norse literature The situation of gods in Old Norse religion has been almost exclusively addressed in isolation from these socio anthropological perspectives The public gravemound cults of deceased rulers are discussed conventionally as cases of sacral kingship and more recently religious ruler ideology both are seen as having divine associations in Old Norse

scholarship Building on the anthropological framework this study introduces the concept of superior ancestors employed in social anthropology to denote a form of political ancestor worship used to regulate social structure deliberately It suggests that Old Norse ruler ideology was based on conventional and widely recognised religious practices revolving around kinship and ancestors and that the gods were perceived as human ancestors belonging to elite families

**The Cambridge History of Ireland: Volume 1, 600-1550** Brendan Smith, Thomas Bartlett, 2018-04-26 The thousand years explored in this book witnessed developments in the history of Ireland that resonate to this day Interspersing narrative with detailed analysis of key themes the first volume in the Cambridge History of Ireland presents the latest thinking on key aspects of the medieval Irish experience The contributors are leading experts in their fields and present their original interpretations in a fresh and accessible manner New perspectives are offered on the politics artistic culture religious beliefs and practices social organisation and economic activity that prevailed on the island in these centuries At each turn the question is asked to what extent were these developments unique to Ireland The openness of Ireland to outside influences and its capacity to influence the world beyond its shores are recurring themes Underpinning the book is a comparative outward looking approach that sees Ireland as an integral but exceptional component of medieval Christian Europe

*Writing Battles* Máire Ní Mhaonaigh, Rory Naismith, Elizabeth Ashman Rowe, 2020-05-14 Battles have long featured prominently in historical consciousness as moments when the balance of power was seen to have tipped or when aspects of collective identity were shaped But how have perspectives on warfare changed How similar are present day ideologies of warfare to those of the medieval period Looking back over a thousand years of British Irish and Scandinavian battles this significant collection of essays examines how different times and cultures have reacted to war considering the changing roles of religion and technology in the experience and memorialisation of conflict While fighting and killing have been deplored glorified and everything in between across the ages *Writing Battles* reminds us of the visceral impact left on those who come after

### Scandinavians From The Vendel Period To The Tenth Century Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scandinavians From The Vendel Period To The Tenth Century has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scandinavians From The Vendel Period To The Tenth Century has opened up a world of possibilities. Downloading Scandinavians From The Vendel Period To The Tenth Century provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scandinavians From The Vendel Period To The Tenth Century has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scandinavians From The Vendel Period To The Tenth Century. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scandinavians From The Vendel Period To The Tenth Century. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scandinavians From The Vendel Period To The Tenth Century, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scandinavians From The Vendel Period To The Tenth Century has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Scandinavians From The Vendel Period To The Tenth Century Books**

1. Where can I buy Scandinavians From The Vendel Period To The Tenth Century books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scandinavians From The Vendel Period To The Tenth Century book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
