Andrea Graziosi, Frank E. Sysyn

Scapegoat The Jews Israel And Womens Liberation:

Scapegoat Andrea Dworkin,2000 In a terrifying exploration of the hatred of women and Jews throughout history controversial author and feminist Andrea Dworkin draws on history literature philosophy and politics to create a series of pairings pogrom rape Palestinians prostitutes homeland home to elucidate the misogyny and anti Semitism of the past millennium s atrocities *The New York Times Book Reviews* 2000 New York Times Staff,2001 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource Encyclopedia of Women Social Reformers Helen Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book *Silent Spring* The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world *Genocide* Andrea Graziosi, Frank E. Sysyn,2022-01-15 Since the 1980s the study of genocide has exploded both historically and geographically to encompass earlier epochs other continents and new cases The concept of genocide has proved its worth but that expansion has also compounded the tensions between a rigid legal concept and the manifold realities researchers have discovered The legal and political benefits that accompany genocide status have also reduced complex discussions of historical events to a simplistic binary is it genocide or not a situation often influenced by powerful political pressures *Genocide* addresses these tensions and tests the limits of the concept in cases ranging from the role of sexual violence during the Holocaust to state induced mass starvation in Kazakh and Ukrainian history while considering what the Armenian Rwandan and Burundi experiences reveal about the uses and pitfalls of reading history and conducting politics through the lens of genocide Contributors examine the pressures that great powers have exerted in shaping the concept the reaction Rapha l Lemkin originator of the word genocide had to the United Nations final resolution on the subject France s long held choice not to use

the concept of genocide in its courtrooms the role of transformative social projects and use of genocide memory in politics and the relation of genocide to mass violence targeting specific groups Throughout this comprehensive text offers innovative solutions to address the limitations of the genocide concept while preserving its usefulness as an analytical framework **A**

Short History of Judaism and the Jewish People Steven Leonard Jacobs, 2023-11-16 In this exciting addition to Bloomsbury's Short Histories series Steven Leonard Jacobs critically yet concisely examines the history of Judaism and the Jewish people drawing from maps photographs and archives to illuminate the history of one of the world's oldest religions Beginning by establishing a definition of Judaism Jacobs explores the historiography of the Jewish people in addition to the role of memory in charting history Including a comprehensive breakdown of the history of Judaism the author splits discussion into defined eras taking readers from the beginnings of Judaism to the split between Judah in the South and Israel in the North the united Monarchy and the Age of the Prophets Exploring the social structures and institutions of ancient Israel Jacobs incorporates key themes such as civic life economics and art before analysing the interactions of Judaism with Romanism and Hellenism Moving through the Middle Ages and Pre Modernity and acknowledging the role of key figures such as Yosef Karo and Moses Mendelssohn this book brings the narrative up to the present day and uncovers the foundations of Judaism in modernity Jacobs authoritative yet engaging prose shines through each of the thirteen chapters which seamlessly intertwine to produce a thorough yet concise examination of the history of Judaism and Jewish peoples

Mothering Outside the Lines: BettyAnn Martin, Michelann Parr, 2023-09-21 In this collection authors transgress and uphold their maternal integrity as they dance at the edge of comfort and take up the challenge of exploring the boundaries of maternal practice their own their mothers and those found in literature media or popular culture These mothers assume a hopeful stance actively choose courage over comfort push through what is fun fast or easy and show how they come to mother outside the lines in all its simplicity and complexity As they bust outdated tired and ambiguous boundaries they find and re set new boundaries that restore dignity and self respect for themselves their children their families and for the matricentric feminist collective particularly those whose voices may continue to be silenced and marginalized by structures and limits beyond their control Thirteen stories are threaded together to form a compelling tale showing how and why some mothers when faced with ambiguous and untenable boundaries resist the urge to accept the assumed the unpredictable even the demanded whether they be internal or external visible or invisible real or imaginary **Roots Too** Matthew Frye

Jacobson, 2009-07-01 In the 1970s whites mobilized around a new version of the epic tale of plucky immigrants in the New World Although this turn to ethnicity was for many an individual search for familial and psychological identity Jacobson establishes a broader white social and political consensus responding to the political language of the Civil Rights movement

Holocaust History and the Readings of Ka-Tzetnik Annette F. Timm, 2018-01-25 Holocaust History and the Readings of Ka Tzetnik provides the first extensive exploration of the reception of Ka Tzetnik's work and the role that his books have

played in the larger discussion of the Holocaust and its memorialization around the world Including contributions from an international and interdisciplinary group of experienced scholars the book examines the literary merits historical context and public resonance of Ka Tzetnik s stories It also places his novels in the context of post WWII debates about how the memories and testimonies of the victims of the Holocaust can be represented and made publicly accessible through literature There is also detailed coverage of key topics like Holocaust memory and sexual violence in the concentration camps and thorough historical analysis of key works like House of Dolls included throughout This is an important study for all scholars and students with an interest in the Holocaust and Holocaust literature

Gender and Governance Lisa D. Brush,2003-07-28

States are where the power lies and power is gendered With these simple statements Lisa Brush turns a gendered lens on states power and governance showing the inherent inequalities in political systems and gender systems and how they intersect Her gender lens allows a clear assessment of the different effects state power and social polices have on men and women highlighting both difference and dominance in the governance of gender She then turns her eye on the way in which state power supports male dominance the gender of governance Her nuanced arguments supported by cases from the American and other western political systems will make this book a useful antidote to traditional textbooks on government the state politics and social policy

New Makers of Modern Culture Wintle Justin,2013-05-13

New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salmon Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida Julia Kristeva with Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms
