Scapegoats A Defense Of Kimmel And Short At Pearl Harbor:

Scapegoats Edward Latimer Beach,1995 But he does present ample proof that by early morning in Washington on December 7 authorities in the Army Navy and State Departments as well as the White House knew positively through special intelligence that Japan was up to some devilment on that very day Moreover Beach says they had seen it coming all week and were derelict in their duty to inform field commanders that things were rapidly coming to a head **Staff Ride Handbook for the Attack on Pearl Harbor, 7 December 1941** Jeffrey J. Gudmens,2005 **The Pearl Harbor Secret** Sewall Menzel,2020-05-04 This book provides a penetrating look into Franklin D Roosevelt s strategy to bait Adolf Hitler into declaring war on America in order to defeat Germany militarily thus preventing the Nazis from developing the atomic bomb In late 1939 President Roosevelt learned that Hitler was attempting to develop an atomic bomb to use against the United States The president responded by directing his own scientific community to develop an atomic bomb and began making plans to go to war with Germany However he was hampered by public opinion with 80 percent of the American people against U S involvement in another ground war in Europe Roosevelt seized an opportunity in 1940 when Japan and Nazi Germany formed a military alliance To bait Germany into war FDR shut down Japan s war making economy prompting Tokyo to attack Pearl Harbor A few days later Hitler declared war on America Using declassified documents this book shows how Pearl Harbor was not about Japan it was about the United States going to war with Germany It reveals how the U S Navy s intelligence gathering system could break virtually any Japanese naval code but Admiral Husband E Kimmel the commander of the U S Pacific Fleet was kept in the dark about the impending Pearl Harbor attack by his own government **Tactical Defeat Or Strategic Victory: The Battle Of Wake Island, 8-23 December 1941** Major Marlyn. R. Pierce,2015-11-06 Given the constrained environment the US Armed Forces operate in would it be possible or even strategically feasible to relieve a cut off force This study investigates this scenario by using the historical example of Wake Island Wake Island is an insignificant strip of coral located in the central Pacific However it gained strategic significance during pre war planning From its location Wake Island could dominate the sea lanes through the central Pacific After the beginning of hostilities in 1941 the Japanese attacked Wake Island by air for three days before attempting an amphibious assault on 11 December Miraculously the defenders repulsed the Japanese The only time during the Pacific War that an invasion attempt was defeated Humiliated by the defeat the Japanese returned on 23 December with a larger force The defenders again put up a stubborn defense but eventually were overwhelmed After the defenders defeated the Japanese on 11 December the Navy s senior leaders were forced to decide on the fate of the men on Wake Island In the final analysis it was determined that the strategic loss of any of three aircraft carriers operating in the Pacific outweighed the tactical gain of relieving the beleaguered island [The Unpredictability of the Past](#) Marc Gallicchio,2007-08-21 Collection explores the formation and uses of memory about the Asia Pacific front of World War II considering how it continues to shape political and diplomatic

discourse **Pearl Harbor** Spencer C. Tucker, 2015-10-13 This book provides students with an understanding of the motives behind the Japanese attack on Pearl Harbor and the consequences of this action on Japan on the United States and on the outcome of World War II This essential reference guide is devoted to one of the most important military events in American history the Pearl Harbor attack of December 7 1941 the day of infamy Distinguished military historian Spencer C Tucker is the editor of this thorough study of the Japanese attack that contains reference entries as well as primary documents and oral histories describing the circumstances that led up to the attack the event itself and its immediate aftermath and consequences thereby providing readers with the necessary context to understand all aspects of the attack on Pearl Harbor Readers will understand why Japanese leaders decided to go to war with the United States what they expected to accomplish in attacking Pearl Harbor why this key American base was not better defended and what the aftereffects of the attack were for the outcome of the war Biographies on major players in the crisis such as Franklin Roosevelt Chester Nimitz Isoroku Yamamoto and Hideki Tojo will provide insight into the individuals who played key roles in the events before during and after December 7 1941 *A Companion to Franklin D. Roosevelt* William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars *The Failure of America's Foreign Wars* Richard M. Ebeling and Jacob G. Hornberger, 1996-01-01 Americans are now faced with competing visions of where we want our nation to go On the one hand we have the vision of America s Founders individual liberty private property and limited government in which there is no welfare Social Security income taxation Medicare Medicaid regulations subsidies and the like Equally important no foreign wars On the other hand we have the vision of the 20th and 21st century public officials ever increasing taxation regulations and political plunder And of course body bags and caskets as part of their attempt to remake the world into one gigantic welfare state The stakes are too high for any American to ignore For with foreign wars not only do we have taxation and regulation we also have the specter of funerals and wheelchairs for husbands fathers sons wives mothers and daughters It is time for the American people to recognize that our ancestors were right and that public officials were wrong It is time to recapture the principles of our Founders It is time to lead the world out of the welfare state darkness into which it has plunged during most of our lifetime *The Failure of America's Foreign Wars* strips away the truth obscuring nostalgia for America s foreign adventures and shows the perverse and bloody consequences of these conflicts *World War II in the Pacific* Stanley Sandler, 2003-12-16 Stanley Sandler one of America s most respected and best known military
