Scarlet Empress:

Style and Meaning John Gibbs, Douglas Pye, 2005-08-06 With a common focus on the decisions made by filmmakers the essays in this collection explore different aspects of the relationship between textual detail and broader conceptual frameworks These texts reflect not only those areas of film history which have traditionally been explored through mise en scene criticism but also areas such as the avant garde and television drama which have not tended to receive such detailed investigation In these ways the book conducts a series of dialogues with issues in film study which are specifically provoked by close analysis

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States

American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Thinking in Images** Catherine Constable, 2019-07-25 Thinking in Images addresses the current crisis in film theory by offering a new methodology for interrelating theory and film texts Drawing on the groundbreaking work of Michele Le Doeuff the author argues that philosophy is reliant on socio cultural images such as the figures of the veiled woman the femme fatale and the seductress The author traces the key role played by such images of woman in the theorisations of beauty art and truth offered by Nietzsche and his successors Derrida Kofman and Baudrillard Importantly the recognition that images are crucial to theorising means that film images have the capacity to challenge and change previous theoretical models This is demonstrated by a case study of three films from the Dietrich Sternberg cycle The Scarlet Empress The Devil is a Woman and Shanghai Express The detailed readings focus on the ways in which Dietrich's glamorous characters challenge the theorisation of woman as a beautiful object thus offering new ways of conceptualising woman's role as the icon of beauty art and truth **Marlene Dietrich** Steven Bach, 2013-11-30 From the stages of Berlin to anti-Nazi efforts and silver screen

and truth **Marlene Dietrich** Steven Bach, 2013-11-30 From the stages of Berlin to anti Nazi efforts and silver screen stardom Steven Bach reveals the fascinating woman behind the myth surrounding Marlene Dietrich in a biography that will stand as the ultimate authority on a singular star Based on six years of research and hundreds of interviews including conversations with Dietrich this is the life story of one of the century s greatest movie actresses and performers an icon who embodied glamour and sophistication for audiences around the globe **Film Architecture and the Transnational**

embodied glamour and sophistication for audiences around the globe

Film Architecture and the Transnational Imagination Tim Bergfelder, Sue Harris, Sarah Street, 2007 Summary Film Architecture and the Transnational Imagination presents for the first time a comparative study of European film set design in the late 1920s and 1930s based on a wealth of designers drawings film stills and archival documents the book offers a new insight into the development and significance of trans national artistic collaboration during this period European cinema from the late 1920s to the late 1930s is famous for its attention to detail in terms of set design and visual effect Focusing on developments in Britain France and Germany Film

Architecture and the Transnational Imagination Set Design in 1930s European Cinema provides a comprehensive analysis of the practices styles and function of cinematic production design during this period and its influence on subsequent filmmaking patterns Publisher description *The Great Movies III* Roger Ebert,2024-05-31 Roger Ebert has been writing film reviews for the Chicago Sun Times for over four decades now and his biweekly essays on great movies have been appearing there since 1996 As Ebert noted in the introduction to the first collection of those pieces They are not the greatest films of all time because all lists of great movies are a foolish attempt to codify works which must stand alone But it s fair to say If you want to take a tour of the landmarks of the first century of cinema start here Enter The Great Movies III Ebert s third collection of essays on the cr me de la cr me of the silver screen each one a model of critical appreciation and a blend of love and analysis that will send readers back to the films with a fresh set of eyes and renewed enthusiasm or maybe even lead to a first time viewing From The Godfather Part II to Groundhog Day from The Last Picture Show to Last Tango in Paris the hundred pieces gathered here display a welcome balance between the familiar and the esoteric spanning Hollywood blockbusters and hidden gems independent works and foreign language films alike Each essay draws on Ebert s vast knowledge of the cinema its fascinating history and its breadth of techniques introducing newcomers to some of the most exceptional movies ever made while revealing new insights to connoisseurs as well Named the most powerful pundit in America by Forbes magazine and a winner of the Pulitzer Prize Roger Ebert is inarguably the most prominent and influential authority on the cinema today The Great Movies III is sure to please his many fans and further enhance his reputation as America s most respected and trusted film critic **Film Performance** Andrew Klevan,2019-06-11 Performers make a crucial contribution to the achievement of narrative films By moving through exemplary sequences this book closely follows the movement and behaviour of screen performers Charlie Chaplin Laurel and Hardy Cary Grant Katherine Hepburn Marlene Dietrich Barbara Stanwyck Richard Widmark and by emphasising their relationship to other aspects of film style camera location and plot it develops accounts that are specific and involved This study concentrates on films from the Golden Age of Hollywood and moment by moment descriptions enable fresh interpretations to emerge and evolve These reveal the significance and intensity of a performer s engagement with the world of a film *Russians in Hollywood, Hollywood's Russians* Harlow Robinson,2007 The story of Russian emigres in Hollywood and the depiction of Russians in Hollywood films

Royal Portraits in Hollywood Elizabeth Ford,2009-06-26 In the history of cinema many film genres have gained and lost popularity with the changing times but one has maintained its supreme reign the royal biopic In Royal Portraits in Hollywood Filming the Lives of Queens authors Elizabeth A Ford and Deborah C Mitchell follow the lives of historical queens as depicted on film from the 1930s to the present Women as diverse as Catherine the Great Cleopatra Mary Stuart and Marie Antoinette have been represented on the silver screen dominating the masculine world of politics while maintaining their femininity During the golden age of American film these roles gave Hollywood a means of portraying powerful women without

threatening the patriarchal social order. Depictions of the lives of queens have progressed from idealized and romanticized portraits to the more personal complex portrayals of modern Hollywood. By walking the line between fact and fiction, these royal portraits of queens reveal just as much about our society as they do about the historical periods they represent. Audiences are drawn to the theaters year after year because the lives of queens promise good drama and attract some of the most talented actresses. The success of Hollywood's leading ladies in playing queens further solidifies the link between Hollywood royalty and authentic royalty. Actresses such as Bette Davis, Judy Dench, Helen Mirren, Elizabeth Taylor, and Greta Garbo have done more than influence the way we imagine historical queens; they also have changed how we perceive women in powerful positions today. *Royal Portraits in Hollywood* analyzes seventy-five years of films about queens as well as the lives of the actresses who starred in them. Combining biographical sketches and excerpts from letters and journals, Ford and Mitchell show how filmmaking and our society's perceptions of gender have changed. The authors compare Hollywood's on-screen portrayals to the historical records, often drawing connections to the actresses' careers and personal lives. This comprehensive analysis provides a more complete picture of the lives that take place behind the thrones, both real and fictional. The spectacle of a woman dressed in the full regalia of power remains a compelling image in our society. Hollywood actresses and the queens they portray are women who wield power, and by examining the lives of these women, the authors reveal not only society's perceptions about female power but also how those perceptions continue to evolve. **Marlene**

Marlene Dietrich, 2022-08-16. *DIVA*: fascinating self-portrait of one of the greatest entertainers of Hollywood's golden age. *DIVA*: Film star, cabaret sensation, recording artist, writer. Marlene Dietrich was nothing short of enchanting and remains so as she chronicles her fabulous rise to stardom. In *Marlene*, from her early career in Germany as a chorus girl to her breakout role as Lola in *The Blue Angel* to her courageous wartime tours, Dietrich recounts a life that captivates on the page just as she smoldered on the screen. She writes passionately of her friends, including Charlie Chaplin, Orson Welles, and Edith Piaf, among many others, and she shares memories of what she calls her greatest accomplishment: entertaining the Allied troops during World War II. A sustained expression of her bold, sophisticated style, *Marlene* reminds us why Dietrich remains an international icon and a true Hollywood legend. *DIVA*
