

ADVANCE ACCLAIM FOR

Scars of War, Wounds of Peace

"Shlomo Ben-Ami was there every step of the way at the Camp David negotiations. His careful, objective analysis is a must read for those who want and need to understand the highs and lows of the history of the tragic conflict between the Israelis and Palestinians."

—MADELEINE K. ALBRIGHT,

Former United States Secretary of State

"Shlomo Ben-Ami brings passion, insight and fairness to his account of both the nature of the Arab-Israeli conflict and the efforts to resolve it. As an Israeli negotiator, he would often try to rise above the psychological burdens of the past to see the other side's needs and not only Israel's. Any negotiator must try to achieve what he believes essential to his interests. But the best negotiators understand that reaching out to the other side and meeting their needs for an explanation is ultimately an act of self interest. Ben-Ami brings that same mind-set to his comprehensive, if sorrowful, look at this historic conflict."

—DENNIS ROSS,

Former Chief Negotiator, United States Middle East Peace Team

"This book is one of the best overviews on the history of the Arab-Israeli conflict. Using up-to-date material and a fresh analysis, Shlomo Ben-Ami provides some new and accurate views about an important and controversial issue."

—BARRY RUBIN,

Director, Global Research in International Affairs (GLORIA) Center

"This is an exceptionally subtle and sophisticated treatment of one of the most bitter, protracted, and intractable conflicts of modern times—the conflict between Israel and the Arabs. Shlomo Ben-Ami brings to the task both the skills of the professional historian and the practical experience of a senior participant in the peace process. He invariably goes to the core of the problems and he writes in a lucid and incisive style. His book is a must for anyone seeking to understand the causes of war and the prospects for peace in the Middle East."

—AVI SHLAIM,

author of *The Iron Wall: Israel and the Arab World*

Scars Of War Wounds Of Peace

Shlomo Ben-Ami

Scars Of War Wounds Of Peace:

Scars of War, Wounds of Peace : The Israeli-Arab Tragedy Shlomo Ben-Ami Former Foreign Minister of Israel, 2006-02-06 An Oxford trained historian who became Israeli Foreign Minister Shlomo Ben Ami was a key figure in the Camp David negotiations and many other rounds of peace talks public and secret with Palestinian and Arab officials He offers here an unflinching account of the Arab Israeli conflict informed by his firsthand knowledge of the major characters and events Clear eyed and unsparing Ben Ami traces the twists and turns of the Middle East conflict and the many missteps of the Israelis and Palestinians The author paints particularly trenchant portraits of key figures from Ben Gurion to Bill Clinton and gives us behind the scenes accounts of the meetings in Oslo Madrid and Camp David He is highly critical of Ariel Sharon and the late Yasser Arafat the sad embodiment of an archaic political orthodoxy devoid of a vision for the future He sees Arafat s rejection of Clinton s peace plan as a crime against the Palestinian people The author is also critical of President Bush s Middle East policy a presumptuous grand strategy And along the way Ben Ami highlights the many blunders on both sides describing for instance how the great victory of the Six Day War launched many Israelis on a misbegotten messianic dream of controlling all the Biblical Jewish lands actually making the Palestinian problem much worse In contrast it has only been when Israel has suffered setbacks that it has made moves towards peace The best hope for the region he concludes is to create an international mandate in the Palestinian territories that would lead to the implementation of Clinton s two state peace parameters *Scars of War Wounds of Peace* is a major work of history with by far the most fair and balanced critique of Israel ever to come from one of its key officials It is an absolute must read for everyone who wants to understand the dynamics of the Arab Israeli conflict

Scars of War, Wounds of Peace Shlomo Ben-Ami, 2007 An Oxford trained historian who became Israeli Foreign Minister Shlomo Ben Ami was a key figure in the Camp David negotiations and many other peace talks He offers here an unflinching account of the Arab Israeli conflict informed by his firsthand knowledge

The Star and the Scepter Emmanuel Navon, 2020-11 The first all encompassing book on Israel s foreign policy and the diplomatic history of the Jewish people *The Star and the Scepter* retraces and explains the interactions of Jews with other nations from the ancient kingdoms of Israel to modernity Starting with the Hebrew Bible Emmanuel Navon argues that one cannot grasp Israel s interactions with the world without understanding how Judaism s founding document has shaped the Jewish psyche He sheds light on the people of Israel s foreign policy through the ages the ancient kingdoms of Israel Jewish diasporas in Europe from the Middle Ages to the emancipation the emerging nineteenth century Zionist movement and Zionist diplomacy following World War I and surrounding World War II Navon elucidates Israel s foreign policy from the birth of the state in 1948 to our days the dilemmas and choices at the beginning of the Cold War Israel s attempts to establish periphery alliances the Arab Israeli conflict Israel s relations with Europe the United States Russia Asia Africa Latin America the United Nations and the Jewish diasporas and how twenty first century energy geopolitics is transforming Israel s foreign relations today

Navon's analysis is rooted in two central ideas represented by the Star of David faith and the scepter political power. First, he contends that the interactions of Jews with the world have always been best served by combining faith with pragmatism. Second, Navon shows how the state of Israel owes its diplomatic achievements to national assertiveness and hard power, not only military strength but economic prowess and technological innovation. Demonstrating that diplomacy is a balancing act between ideals and realpolitik, *The Star and the Scepter* draws aspirational and pragmatic lessons from Israel's exceptional diplomatic history.

The Dynamics of Israeli-Palestinian Relations B. Soetendorp, 2007-04-02 This book looks at Israeli-Palestinian relations through three different conceptual lenses: the individual decision maker, domestic politics, and the international system. It examines key choices made by Israelis and Palestinians regarding three central issues: the 1947 UN Partition Plan, the Lebanon invasion in 1982, and the 1993 Oslo Agreements.

The October 1973 War Asaf Siniver, 2013-09-30 The October War of 1973, also known as the Yom Kippur War, was a watershed moment in the history of the Arab-Israeli conflict and the modern Middle East more broadly. It marked the beginning of a US-led peace process between Israel and her Arab neighbours; it introduced oil diplomacy as a new means of leverage in international politics; and it affected irreversibly the development of the European Community and the Palestinian struggle for independence. Moreover, the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world. The fortieth anniversary of the October War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath, and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel, Egypt, Syria, and Jordan, as well as external actors before, during, and after the war. In addition to chapters on the superpowers, the EU, and the Palestinians, the book also deals with the strategic themes of intelligence and political economy, as well as the socio-political legacy of the war on Israeli and Arab societies.

The Yom Kippur War Asaf Siniver, 2013-10-01 The Yom Kippur War was a watershed moment in the history of the Arab-Israeli conflict and the modern Middle East more broadly. It marked the beginning of a US-led peace process between Israel and her Arab neighbours; it introduced oil diplomacy as a new means of leverage in international politics; and it affected irreversibly the development of the European Community and the Palestinian struggle for independence. Moreover, the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world. The fortieth anniversary of the Yom Kippur War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath, and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel, Egypt, Syria, and Jordan, as well as external actors before, during, and after the war. In addition to chapters on the superpowers, the EU, and the Palestinians, the book also deals with the strategic themes of intelligence and politics of the war on Israeli and Arab societies.

The Fog of Peace Gabrielle

Rifkind, Giandomenico Picco, 2013-12-17 Institutions do not decide whom to destroy or to kill whether to make peace or war those decisions are the responsibility of individuals This book argues that the most important aspect of conflict resolution is for antagonists to understand their opponents as individuals their ambitions their pains the resentments that condition their thinking and the traumas they do not fully themselves grasp Gabrielle Rifkind and Giandomenico Pico here present two very different experiences of international relations Rifkind as a psychotherapist now immersed in the politics of the Middle East and Picco as a career diplomat with a long and successful record as a negotiator at the UN Should we talk to the enemy What happens if the protagonists are nasty and brutish tempting policy makers to retaliate How do nations find the capacity not to hit back trapping themselves in endless cycles of violence Presenting a unique combination of psychological theories geopolitical realities and first hand peace making experience this book sheds new light on some of the worst conflicts in the modern world and demonstrates above all how empathy can often be far more persuasive than the most fearsome weapons By exploring the question of intervention versus non intervention and examining how the changing nature of warfare and technology has both armed the warmonger whilst empowering the individual through social media this is a highly topical comprehensive overview on international diplomacy and the complexities of peace making **A Theory of Truces** Nir

Eisikovits, 2016-01-27 This book argues that understanding truces is crucial for our ability to wind down wars We have paid too much attention to the idea of permanent peace yet few conflicts end in this way The book describes how truce makers think which truces can be morally justified and provides a philosophical history of truce making in the Western tradition

The Iron Wall Avi Shlaim, 2015-07-30 Avi Shlaim's *The Iron Wall* Israel and the Arab World is the outstanding book on Israeli foreign policy now thoroughly updated with a new preface and chapters on Israel's most recent leaders In the 1920s hard line Zionists developed the doctrine of the Iron Wall negotiations with the Arabs must always be from a position of military strength and only when sufficiently strong Israel would be able to make peace with her Arab neighbours This doctrine argues Avi Shlaim became central to Israeli policy dissenters were marginalized and many opportunities to reconcile with Palestinian Arabs were lost Drawing on a great deal of new material and interviews with many key participants Shlaim places Israel's political and military actions under an uncompromising lens His analysis will bring scant comfort to partisans on both sides but it will be required reading for anyone interested in this fascinating and troubled region of the world *The Iron Wall* is strikingly fair minded scholarly cogently reasoned and makes enthralling reading Philip Ziegler Daily Telegraph Anyone wanting to understand the modern Middle East should start by reading this elegantly written and scrupulously researched book Trevor Royle Sunday Herald A milestone in modern scholarship of the Middle East Edward Said Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history Ethan Bronner The New York Times Book Review Avi Shlaim is Professor of International Relations at St Antony's College Oxford His previous books include *Collusion Across the Jordan* 1988 and *War and Peace in the Middle East* 1995 [Shades of Sulh](#) Rasha Diab, 2016-04-26 *Sulh* is a

centuries old Arab Islamic peacemaking process In *Shades of Sulh* Rasha Diab explores the possibilities of the rhetoric of sulh as it is used to resolve intrapersonal interpersonal communal national and international conflicts and provides cases that illustrate each of these domains Diab demonstrates the adaptability and range of sulh as a ritual and practice that travels across spheres of activity juridical extra juridical political diplomatic through time medieval modern contemporary and over geopolitical borders Cairo Galilee and Medina Together the cases prove the flexibility of sulh in the discourse of peacemaking and that sulh has remarkable rhetorical longevity versatility and richness *Shades of Sulh* sheds new light on rhetorics of reconciliation human rights discourse and Arab Islamic rhetorics

Scars Of War Wounds Of Peace Introduction

In today's digital age, the availability of Scars Of War Wounds Of Peace books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scars Of War Wounds Of Peace books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scars Of War Wounds Of Peace books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Scars Of War Wounds Of Peace versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scars Of War Wounds Of Peace books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scars Of War Wounds Of Peace books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Scars Of War Wounds Of Peace books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scars Of War Wounds Of Peace books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scars Of War Wounds Of Peace books and manuals for download and embark on your journey of knowledge?

FAQs About Scars Of War Wounds Of Peace Books

1. Where can I buy Scars Of War Wounds Of Peace books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
