Scatty M. A. Sinet,1959 **Scatty** Siné,1958 **Scatty. British Cats, French Cats & Cosmopolitan Cats. By Siné. [Cartoons].** pseud SINÉ,1958 Stevie Smith and the Aphorism Noreen Masud,2022-12-01 This volume argues that aphorism represents a tool for the social management of emotion Rhetorically corralled into a slick collectable shape the aphorism promises arresting and instantaneous epiphany However the accomplished elegance which positions the aphorism s message as self evidently true in fact works to repel further enquiry and ultimately ensures that it will be forgotten or bypassed in favour of another aphorism no less eagerly embraced for the earlier disappointment Aphorism therefore is a form in which dangerous ideas and emotions can be safely displayed and simultaneously effaced Because aphorism s style defuses the imperative to act on what is clearly known writers like Stevie Smith can use the form to stage a withdrawal from the burden of making an impact on the world This book finds that Smith s use of aphorism and its related forms proverb epitaph caption and fragment offers a route into her texts With her disconcerting pen and ink drawings dark comedy and social ventriloquism which stops short of satire the rhetorical force of Smith s poetry fascinates and arrests its readers but nevertheless leaves them unable to react coherently or identify the use value which her writing appears to promise Drawing on hitherto unpublished archival material this project argues that Smith s texts resist analysis because like the aphorisms embedded throughout them they offer and exemplify a mode of clearly declared revelation which at the same time makes itself unusable *Scatty.
