Love Scenarios Glenn S. Adams,2012-05-19 Love Scenarios presents a collection of poems and letters describing the feelings and emotions that are experienced in our everyday lives These feelings are at the same time uniquely ours and also common to anyone who has ever experienced the ebb and flow of loving relationships The verses of Love Scenarios can allow anyone to escape the daily stress and find some quiet sanctuary to relive through its words both our heartfelt fantasies and the harsh realities of life It can also be used as a starting point for discussions of personal relationships enabling us to share our experiences and relationships Life is not perfect but sharing these experiences through Love Scenarios provides an opportunity to open our hearts to the reality of everyday life Imagine a beautiful scene with a lovely beginning brought to a climactic moment and a wonderful ending Imagine walking the beach holding each others hand or in each others arms watching the waves crashing on the sand Its that first kiss that makes your heart skip a beat and the way he says your name that sweeps you off your feet You cant wait for the girls to see your smile and that magic glow and to share in the wonderful high from your love scenario

A Call for Engaged Leadership Cornell Thomas,2012-12-26 Most if not all individuals who have given any thought to the subject believe that students and teachers in today s public schools

deserve better They deserve the same types of teaching and learning environments that are often found in elite private schools Teachers in these environments combine the best of essentialist and progressive educational philosophies that cause students to become highly skilled critical thinkers Teachers most of them have the skills to deliver both the science and the art of teaching and learning The science here represents the wealth of knowledge needed in their particular fields of study and teaching The art refers to the ability to connect the knowledge their students possess with the information they want them to learn Students in these environments are active engaged learners and teachers Leadership facilitates a process to support these highly interactive teaching and learning environments Leaders who are most successful in this work demonstrate a commitment to engagement To lead with a commitment to engagement means to value every person's self identity their presence and the gifts they bring to the organization It means practicing inclusion intentionally The inclusion of all voices involved in the life of the organization results in levels of synergy where excellence becomes the norm and even higher levels sought Engaged leaders are personable hands on supportive facilitating visionary inclusive and very successful It is the premise of this book that leadership should be focused on serving others in inclusive ways Leadership should as a primary task help to create pathways that empower others to successfully complete the work at hand and to do so including all voices in the process

States of Crisis and Post-Capitalist Scenarios Heiko Feldner, Fabio Vighi, 2017-05-15 States of Crisis and Post Capitalist Scenarios engages with the crisis of our capitalist world with a view to explaining its origins unravelling its symptoms and demystifying the anodyne corrective solutions so far proposed At the same time it endorses the necessity for utopian interventions aimed at drastically rethinking our social order Organised around the themes of economy and politics critical theory and culture in order to offer an impressive range of thematic perspectives and critical angles the book delves into the most pressing of today's quandaries by combining stringent critical analysis with creative foresight A rigorous examination of the current crisis of late capitalist society States of Crisis and Post Capitalist Scenarios develops paradigms that promise to rekindle the desire to move beyond capitalism towards a different social order As such it will appeal to scholars and students across the humanities and social sciences with particular interests in social and political theory contemporary philosophy and the crises faced by the current capitalist order
