Screenwriting is Rewriting Jack Epps, Jr.,2016-01-28 If there is one skill that separates the professional screenwriter from the amateur it is the ability to rewrite successfully From Jack Epps Jr the screenwriter of Top Gun Dick Tracy and The Secret of My Success comes a comprehensive guide that explores the many layers of rewriting In *Screenwriting is Rewriting* Epps provides a practical and tested approach to organizing notes creating a game plan and executing a series of focused passes that address the story character theme structure and plot issues Included are sample notes game plans and beat sheets from Epps work on films such as *Sister Act* and *Turner and Hooch* Also featured are exclusive interviews with Academy Award winning screenwriters Robert Towne *Chinatown* and Frank Pierson *Dog Day Afternoon* along with Academy Award nominee Susannah Grant *Erin Brockovich* *The First Two Quartos of Hamlet* Margrethe Jolly,2014-08-08 It is nearly two centuries since the first quarto of Hamlet was rediscovered yet there is still no consensus about its relationship to the second quarto Indeed the first quarto the least frequently read Hamlet has been dismissed as corrupt inferior or like a mutilated corpse even though in performance it has been described as the absolute dynamo behind the play Currently one hypothesis dominates explanations about the quartos interrelationship supposing that the first quarto published 1603 was reconstructed from memory by one or more actors who had performed minor roles in a version of the second quarto

published 1604 5 The present study reports on a detailed linguistic reassessment of the principal arguments for memorial reconstruction The evidence including a three way comparison between the underlying French source in Les Histoires Tragiques and the two quartos and the informal features and specific grammatical aspects and a documented memorial reconstruction in 1779 does not support the dominant hypothesis The cumulative evidence suggests that the earliest scholars to examine the first quarto were right the 1603 Hamlet came first and the second quarto is a substantial later revision
