Historical & Political Dictionary of New Zealand Keith Jackson, Alan McRobie, 2008 This new retitled and expanded New Zealand edition is a substantially revised edition of the Historical Dictionary of New Zealand published in the United States in 2005. It describes the many changes of the past decade while building on the solid foundations of the earlier editions that examined the country's long and lively history. It covers a wide range of topics from relations between the Pakeha and the Maori to the country's recent economic changes and environmental policies. The introduction provides a good starting point and the chronology traces New Zealand's history from the earliest settlers to the present. The dictionary includes hundreds of entries on important people, places, events and institutions as well as significant political, economic, social and cultural aspects and a bibliography for further reading. **American Book Publishing Record**, 2001 Australian Books in Print 1999 K G Saur Books, 1999-04 Excellent coverage essential to worldwide bibliographic coverage.
