

>> Summarizing a Scholarly Journal Article

Available online at: <https://ufv.ca/asc/student-resources/>

Students are often required to summarize scholarly journal articles or to base reviews or critiques or research papers on scholarly sources, all of which require acts of summary. Summary is one of the most prominent features of academic writing because it gives writers access to the ideas of others. You will find that most of the academic writing you do will respond to or be based on the ideas – the writing – of others.

The guide that follows will introduce you to scholarly summary and describe it as a process.

Scholarly Journal Articles, Research Situations, and Knowledge

Scholarly journals publish research by professional researchers who often study and teach in universities or other research institutions. Before scholarly articles are published, they are reviewed by researchers who share the research concerns of your article's author. This means that before an article can be published in a scholarly journal it has to be considered worthy of publication because it meets the scholarly goal of generating new knowledge about a specific topic. To be published, the article must have taken into account most of what is already known about a topic. So current research articles are useful because they incorporate (sometimes explicitly) what is understood about a research question.

Summary Reports; Summary Does not Evaluate

The goal of your summary, then, is to *report in a brief and yet accurate manner the main gists* ("gist" refers to the main or essential parts of the article, its main line or lines of reasoning) of the article. The goal of summary is **not to offer an evaluation or opinion** of the original article, but, rather, to report the writer's main ideas and findings. This means that you will need to *indicate to your reader the writer's main point or points or purpose for writing*. You will also need to *point out how the writer develops or supports his or her main point*.

Since one of the goals of summary is to present a far more concise version than the original, it is **not** usual to include direct quotes from the original or even to include very many specific, concrete details from the original, though you may need to include one or two brief examples that illustrate the writer's main point or points. Think of a summary as the child of the original document: fully formed and able to make sense and stand on its own, a new text, not exactly the same as its original, but bearing the features of its parental origins, so much so that anyone who sees the summary might be heard to remark, "Oh, you have your parents' main features; you even sound like your parents, but you are much shorter!"

Claude Lecouteux

Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94:

The Mirror of Magic Kurt Seligmann, 2018-10-16 A collector's edition of the classic illustrated and comprehensive history of magic and the occult. Written by renowned Surrealist and magic scholar Kurt Seligmann 1900-1962. Includes all 250 illustrations from the original 1948 edition. Explores magical practices and beliefs from their origins in the ancient world through the heyday of secret societies in the 18th century. In the occult classic *The Mirror of Magic*, renowned Surrealist Kurt Seligmann 1900-1962 draws from his encyclopedic practitioner's knowledge and extensive antiquarian collection to offer a comprehensive illustrated history of magic and the occult from Mesopotamia and ancient Egypt through the 18th century. He explores the gods and divinatory arts of the legendary Sumerians and the star-wise Babylonians including the birth of astrology. He examines the afterlife beliefs of the ancient Egyptians and the dream interpretation practices and oracles of ancient Greece including the mysteries of Eleusis and the magical philosophy of Plato, Socrates, and other Greeks. He uncovers the origins of Gnosticism and the suppression and banishment of magic by the post-pagan Christian emperors of Rome. Seligmann reviews the principles of alchemy, sharing famous transmutations and allegorical illustrations of the alchemical process and explores the Hermetica and its remarkable adepts. Investigating the Middle Ages, the author discusses the work of European magicians of the time including Albertus Magnus, Roger Bacon, Agrippa, Nostradamus, and Pico della Mirandola. He studies the medieval practices of devil worship, witchcraft, and black magic, as well as the Cabala in both its Hebrew and Christian forms. He also examines the art of the Tarot and many lesser-known divination techniques. He explores the development of secret societies including Freemasonry and Rosicrucianism in the 17th century and the increase in occult publications and magical science in the 18th century. First published in 1948, this history of magic and the occult seeks to mirror the magical worldview throughout the ages. Beautifully illustrated with images from the author's rare library, this collector's edition features all of the artwork, more than 250 images from the original 1948 edition. *Journal for the Academic Study of Magic* 2 Dave Evans, Various, 2004-05 This volume is a multidisciplinary peer-reviewed print publication covering all areas of magic, witchcraft, paganism, and all geographical regions and all historical periods. **Ancient Magic** Attilio Mastrocinque, Joseph E. Sanzo, Marianna Scapini, 2020 An international team of scholars from different academic disciplines address some of the most important issues, texts, and objects in the study of ancient magic. The volume is divided into three primary sections. The first part offers new approaches to some of the major theoretical and methodological questions in the study of ancient magic. Most importantly, the authors offer a defense of the term magic as a scholarly rubric in the study of antiquity. The contributors to the second part provide novel interpretations of some of the most significant defixiones, amulets, recipes, and rituals from the ancient world. The essays also engage with questions of gender, materiality, visibility, and scribal practice. The final section examines the transmission of magical practice both in antiquity and in later periods. Accordingly, the chapters in this final section allow scholars to approach the study of magic over the longue durée. By

placing into dialogue the interests concerns and methods of scholars from diverse academic fields this volume provides an interdisciplinary perspective to the study of premodern magic Modern Magic M Schele De Vere,2023-07-18 This fascinating book explores the world of magic from a modern perspective offering an in depth analysis of the art and science of illusion The author covers a wide range of topics from the traditional techniques used by magicians to the latest developments in magic technology This book is an essential read for anyone interested in the history and practice of magic This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Sorcerer's Scholar* Claude Lecouteux,2025-05-06 A deluxe boxed set of three scholarly works on magic by professor Claude Lecouteux Contains hardcover editions of Dictionary of Ancient Magic Words and Spells Traditional Magic Spells for Protection and Healing and The High Magic of Talismans and Amulets in a collector s slipcase Analyzes more than 7 000 spells from the magical traditions of Europe and provides a comprehensive history of the use of talismans and amulets from the Middle Ages to today Through meticulous study of his private collection of medieval manuscripts as well as his privileged access to the rare book archives of major European universities Claude Lecouteux has become renowned in esoteric academic circles for his in depth examinations of the myths and magical practices of the Middle Ages In this deluxe boxed set are three outstanding examples of Lecouteux s masterful scholarship each in a deluxe hardcover edition housed in a collector s slipcase In Dictionary of Ancient Magic Words and Spells Lecouteux analyzes more than 7 000 spells from the magical traditions and grimoires of Europe presenting a comprehensive dictionary of magic words phrases and alphabets In Traditional Magic Spells for Protection and Healing he shares more than 600 magical prescriptions from both pagan and Christian sources from the last 2 000 years He provides an in depth look at protection magic including healing spells from rare texts and from the heavily guarded gypsy Rom tradition In The High Magic of Talismans and Amulets he provides a comprehensive history of the use of talismans and amulets for protection healing and divine influence He reviews many different kinds of amulets and talismans used throughout the ages such as a rabbit s foot horseshoe gris gris bag and inscribed parchment charged through ritual detailing the magical principles behind each object and showing that their use is still as widespread today as any time in the past Magic Codex of the Known World D N Frost,2020-11-18 Magic is prevalent in the Known World With few exceptions literally everyone has some sort of magic at their disposal The humans of this world have their own kinds of magic as do the elves faeries merfolk and nymphs Everyone is born with some natural access to certain magics Beyond these natural talents there are magics that anyone can learn to wield if they study

While study obviously requires free time and access to education the magics themselves are equally attainable by anyone willing and able to put in the effort As a result magic plays a heavy role in everyday life for denizens of the Known World Many technologies and modern amenities rely on magic to function such as indoor plumbing through water magic or refrigeration through ice magic This codex is a comprehensive explanation of the magic system of the Known World Here the myriad magics are organized and explored in logical groupings each with its own numerical tag These tags index each chapter and sub section so that external documents can cross reference the information expressed in this codex

Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 Introduction

In today's digital age, the availability of Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books and manuals for download and embark on your journey of knowledge?

FAQs About Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 Books

1. Where can I buy Scholarly Magicshc94a College Of Magicsa Scholar Of Magicshc94 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
