Scholars Gypsies An Autobiography:

Scholars and Gypsies Walter Starkie, 1963 *Luigi Pirandello* Walter Starkie, *Words of Crisis, Crisis of Words* María Losada Friend, Pilar Ron Vaz, Auxiliadora Pérez Vides, 2016-04-26 This volume offers a collection of papers dealing with how adversities have been tackled and expressed artistically from various perspectives in Ireland Taken together the many approaches to critical times provided here prove how surrounded by outbursts of pessimism financial hecatombs and individual and collective discouragement the academic community can find meaning in hard intellectual work and in serious updated research The chapters here are authored by scholars specialised in Irish Studies and provide reflections and discussions on the broad topic of crisis and Ireland its description and representation and the different ways in which difficulties have been discussed imagined or even solved **Imperialism and Theatre** J. Ellen Gainor, 2003-09-02 Imperialism is a transnational and transhistorical phenomenon it occurs neither in limited areas nor at one specific moment In cultures from across the world theatrical performance has long been a site for both the representation and support of imperialism and resistance and rebellion against it Imperialism and Theatre is a groundbreaking collection which explores the questions of why and how the theatre was selected within imperial cultures for the representation of the concerns of both the colonizers and the colonized Gathering together fifteen noted scholars and theatre practitioners this collection spans global and historical boundaries and presents a uniquely comprehensive study of post colonial drama The essays engage in current theoretical issues while shifting the focus from the printed text to theatre as a cultural formation and locus of political force A compelling and extremely timely work Imperialism and Theatre reveals fascinating new dimensions to the post colonial debate Contributors Nora Alter Sudipto Chatterjee Mary Karen Dahl Alan Filewood Donald H Frischmann Rhonda Garelick Helen Gilbert Michael Hays Loren Kruger Josephine Lee Robert Eric Livingston Julie S Peters Michael Quinn Edward Said Elaine Savory **A Battle for Neutral Europe** Edward Corse, 2013-01-31 A new study of British cultural propaganda in neutral Europe during the Second World War Kate O'Brien and Spanish Literary Culture Jane Davison, 2017-10-18 One of the most important Irish novelists of the twentieth century Kate O'Brien 1897-1974 was also a pioneer of women's writing In a career that spanned almost fifty years nine novels nine plays two travelogues and copious criticism O'Brien rebelled against the narrow nationalism and restrictive Catholicism prevalent in independent Ireland In this highly original approach to O'Brien's work Davison traces the influence of three leading Spanish writers Jacinto Benavente Miguel de Cervantes and Teresa of Avila O'Brien's lifelong fascination with Spanish literature and culture offered an oblique way of resisting the Catholic and conservative imperatives of the Irish Free State In a series of close comparative readings Davison identifies the origin of O'Brien's creative disinhibition and ultimately situates her within a tradition of dissident Irish women writers **Reviews and Essays of Austin Clarke** Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets In this selection of nearly fifty essays and reviews written over Clarke's long

career he demonstrates that he is an astute and provocative literary critic as well. Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high, Clarke knew many of the principal figures of that movement personally and his readings of Yeats, Joyce, Synge, O'Casey, Lady Gregory, George Moore and others enjoy the advantages of an insider's point of view. Moreover, committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland, Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions. At the same time, these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival. As Yeats observed more than once, the Irish for all the contributions that they have made to modern fiction, poetry and drama have fallen somewhat short in the genre of literary criticism. Austin Clarke's essays and reviews, many of which were written under a pseudonym and so not attributed to Clarke for years, go a long way towards filling that gap.

Lady Gregory E.H. Mikhail, 1977-06-17 *Austin Clarke, 1896-1974* Maurice Harmon, 1989-01-01. This relates Clarke to the Irish Literary Revival and the cultural contexts of his time while tracing that fine generosity, lavish colour and concrete imagery.

'Tinkers' Mary Burke, 2009-07-16. The history of Irish Travellers is not analogous to that of the tinker, a Europe-wide underworld fantasy created by sixteenth-century British and continental Rogue Literature that came to be seen as an Irish character alone as English became dominant in Ireland. By the Revival, the tinker represented bohemian pre-Celtic aboriginality functioning as the cultural nationalist counter to the Victorian Gypsy mania. Long misunderstood as a portrayal of actual Travellers, J.M. Synge's influential *The Tinker's Wedding* was pivotal to this Irishing of the tinker, even as it acknowledged that figure's cosmopolitan textual roots. Synge's empathetic depiction is closely examined as are the many subsequent representations that looked to him as a model to subvert or emulate. In contrast to their Revival-era romanticization, post-independence writing portrayed tinkers as alien interlopers while contemporaneous Unionists labelled them a contaminant from the hostile South. However, after Travellers politicized in the 1960s, more even-handed depictions heralded a querying of the tinker fantasy that has shaped contemporary screen and literary representations of Travellers and has prompted Traveller writers to transubstantiate Otherness into the empowering rhetoric of ethnic difference. Though its Irish equivalent has oscillated between idealization and demonization, US racial history facilitates the cinematic figuring of the Irish American Traveler as lovable white trash rogue. This process is informed by the mythology of a

population with whom Travelers are allied in the white American imagination the Scots Irish Ulster Scots In short the tinker is much more central to Irish Northern Irish and even Irish American identity than is currently recognised
