School Days Memory:

School Days Activity Books Inc, Michael Ero, 2012-12-02 The Memory Book is designed for kids ages 3-9 to use as a record of the memories of their early childhood. They are able to have friends and family record comments and wishes in the autograph section. The memory book is a very personalized way for kids to record their memories in a colorfully adorned 24-page book with drawings and artwork designed just for kids. *School Days Memory Book* Courtney Lotzer, Laura Wilson, 2016-02-08 The School Days Memory Book was created by two busy book publishers/marketers who wanted to capture important memories of their children's school days. Our day-to-day lives are hectic so let's not over-complicate them even more by trying to keep every piece of work that comes home or every cute quote our kid says that's what Facebook is for, right? The School Days Memory Book is a modern perfect solution for capturing what's really important: accomplishments, milestones, awards, friends, and those important memories that get lost in the shuffle. **BONUS** Your completed book is perfect for your son, our daughter's graduation party. Have fun, enjoy! XO marketinggirl www.marketinggirl.com Tips for a better School Day Memory Book experience: 1 Find your favorite pen and keep it with your School Days Memory Book. Purchase extra pens since they will dry out over time. 2 Many of our customers have purchased additional copies for Grandparents to keep. Papas and Nanas receive different answers from their loves along with another perspective. 3 Set a reoccurring event on your calendar to capture your child's information at the same time every year. 4 If you are purchasing your School Days Memory Book after Pre-K, use Facebook to look back and fill in the blanks. 5 Memories Section This is a great place to capture funny stories that happened throughout the year. You can also use this section to document the funny things your child says throughout the year. **School Days Memory Book** Dee Phillips, 2019-07-27 School Year Memory Book is a 40-page record book to keep your child's cherished school memories from Kindergarten up to the twelfth grade. Each school year has a page dedicated to it with questions the child can answer from: Who are your friends? What do you like about school and even Who is your hero? Your child changes every year and it will be fun to look back and see what different answers you get to the same questions. There are also pages from Kindergarten to the eighth grade for your child to draw a picture. You can see how his/her artwork improves as they get older. There is also a page for each school year for your child to express themselves: a page to write about their memorable moments from the year. There is also a place for your child's photo for each year: a school picture would be perfect to place here. This is a cherished memory keeper that you will love to have as your child grows.
