Wallace, 2020 **Bible Based Business** Henry Jackson, 2019-07-16 Can we in this twisted world in which we live still walk in honesty and integrity Is it possible Can a person's word still be their honor It takes a person of steel to put decency of character before their own personal gains and pleasures Are you such a person Are you a person of principle Would you like to be The author challenges men and women to base their lives and businesses on principles learned from the Word of YHWH He claims the validity of the scriptures for today's modern society and through a study of almost three hundred passages of scripture he carefully presents its relevance to many aspects of common business life His call is for men and women to be givers in life and influencers for good He shows the importance of destiny and how ordinary people can take hold of that for which YHWH called them and in so doing achieve true satisfaction in life His call is valid It is exciting It is tremendously challenging It is not for the fainthearted

**Get Your Dreams Right and Be Successful** Tella Olayeri, 2024-11-06

This book emphasizes on it is good to interpret dreams shown in the spirit in order to fulfill your vision and mission. It is compelling to understand and decode the symbolic messages we receive in our dreams. Dreams particularly those inspired by the Spirit hold significant meaning and can offer guidance, warnings or revelations about our personal lives, spiritual journey and future. By interpreting these dreams, individuals can uncover divine insights that propel them toward fulfilling their God-given purpose. Dreams are not random occurrences but spiritual communications. These are spiritual dreams. In real life, we have dreams to fulfill. Get your dream right and be successful is a book that emphasizes the importance of clarity, purpose and actionable steps in achieving success. Dreams or long-term visions are the driving force behind personal fulfillment and success, but only when they are pursued with the right mindset and strategy. Everyone has dreams, whether they are related to career, relationship, finance or personal growth. Once the dream is identified, the book shifts focus toward the practical steps necessary to turn the dream into reality. Another core concept is the importance of resilience and adaptability. The path to success is rarely direct but often filled with challenges and setbacks. However, these obstacles are framed as opportunities for growth rather than failures. The book encourages readers to stay committed to their vision, adjust their strategies when needed and maintain a positive, growth-oriented mindset. Moreover, the book discusses the significance of surrounding oneself with the right people. It advocates building a network of mentors, peers and supporters who can provide guidance, feedback and encouragement along the way. The right environment is to play a critical role in maintaining motivation and focus. The book also talks in length about speaking against the spirit of arrogance and rudeness that chase loved ones and the likes away. The book portrays pride, rudeness or self-importance as a spiritual force that can blind individuals to their need for God and prevent them from cultivating humility. This book serves as both a motivational guide and a practical handbook for anyone looking to achieve their aspirations. It blends personal development techniques with actionable strategies, urging readers to dream big but also to plan well. It is said success is not just about dreaming but about turning those dreams into a reality with purpose, persistence and the right approach. You will gain much in this book among the followings:

- Clarity of Vision: You will learn how to clarify your dreams and set achievable goals.
- Actionable Strategies: You will gain practical steps to break your dreams into manageable tasks.
- Overcoming Obstacles: You will understand how to identify and overcome challenges that may block your progress.
- Discipline: You will develop the discipline needed to stay consistent in pursuing your dreams.
- Time Management: You will learn effective time management techniques to prioritize your goals.
- Resilience: You will build resilience to bounce back from setbacks and stay focused on your vision.
- Inner Motivation: You will learn how to cultivate inner drive and motivation to push forward.
- Networking and Collaboration: You will learn how to surround yourself with people who can

help you achieve your dreams This is your time to overcome setbacks that may affect success It is time to act now and excel
