Myths of northern lands H. A. Guerber, 2025-03-02. In *Myths of Northern Lands*, H. A. Guerber delves into the rich tapestry of mythological narratives originating from Scandinavian and other northern cultures. This scholarly work is characterized by its lyrical prose and meticulous research, weaving together ancient stories to illuminate the beliefs and values of these societies. Guerber contextualizes the myths within the broader landscape of European folklore, enabling readers to understand how these tales reflect civilizational concerns regarding nature, fate, and the human condition. By tracing themes of heroism, divinity, and the natural world, the author offers a comprehensive portrayal of the cultural psyche prevalent in the northern reaches of Europe. H. A. Guerber was an eminent scholar and writer whose passion for myth and history was cultivated during her extensive studies across the globe. Born in 1859, she was deeply influenced by the folkloric traditions that permeated her childhood in France and later her engagement with Anglo-Saxon literature. Her scholarly work often sought to bridge gaps between diverse cultures, a goal evident in this collection as she artfully connects Norse mythology with its wider European context, showcasing her commitment to understanding humanity's shared narratives. For readers interested in mythology, folklore, or the intricate interplay of culture and narrative, *Myths of Northern Lands* is an invaluable resource. Guerber's engaging narrative and thorough analysis make these ancient tales accessible both to scholars and casual readers alike. This book not only entertains but also educates, providing profound insights into the human spirit as expressed through the myths of the northern regions.

Polar Bears Martyn E. Obbard, Gregory W. Thiemann, Elizabeth Peacock, Terry D. DeBruyn, 2010. These 15th Proceedings provide an overview of the ongoing research and management activities on polar bears in the circumpolar Arctic. Together with the previous 14 proceedings, they provide an historic record of the international effort in protecting, studying, and managing polar bears. The document addresses more recent concerns of threats arising as a consequence of increased human activities in both the Arctic and in regions far beyond the Arctic. Previous proceedings included a Status Report for each of the world's subpopulations, which focused largely on the known or unknown status as it related to harvest. In the Status Report of the 15th Proceedings, we provide a more comprehensive

assessment of all threats to the status of each polar bear subpopulation **History's Greatest Heist** Sean McMeekin, 2008-12-17 How Lenin's regime turned Russia's priceless cultural patrimony into armored cars, trains, planes, and machine guns. Historians have never resolved a central mystery of the Russian Revolution: How did the Bolsheviks, despite facing a world of enemies and leaving nothing but economic ruin in their path, manage to stay in power through five long years of civil war? In this penetrating book, Sean McMeekin draws on previously undiscovered materials from the Soviet Ministry of Finance and other European and American archives to expose some of the darkest secrets of Russia's early days of communism. Building on one archival revelation after another, the author reveals how the Bolsheviks financed their aggression through astonishingly extensive thievery. Their looting included everything from the cash savings of private citizens to gold, silver, diamonds, jewelry, icons, antiques, and artwork. By tracking illicit Soviet financial transactions across Europe, McMeekin shows how Lenin's regime accomplished history's greatest heist between 1917 and 1922 and turned centuries of accumulated wealth into the sinews of class war. McMeekin also names names, introducing for the first time the compliant bankers, lawyers, and middlemen who, for a price, helped the Bolsheviks launder their loot, impoverish Russia, and impose their brutal will on millions. **Merchant Vessels of the United States...** United States Coast Guard, 1976 **The Ecclesiastic [afterw.] The Theologian and ecclesiastic [afterw.] The Ecclesiastic and theologian [afterw.] The Ecclesiastic**, 1858
