Salisbury,Merian C. Cooper,1924 [Best Remembered Poems](#)

Martin Gardner,1992-01-01 The 126 poems in this superb collection of 19th and 20th century British and American verse range from the impassioned Renaissance of Edna St Vincent Millay to Edward Lear s whimsical The Owl and the Pussycat
Famous poets such as Wordsworth Tennyson Whitman and Frost are well represented as are less well known poets

Horses and Humans Shan de Wey,2011-08-02 Throughout the pages the author explains what draws humans to horses is the representation of beauty and freedom Most of this compatibility comes from the horses flexibility in joining with humans as partners This material prompts the human to evaluate the reasons why he has chosen the horses as companions or athletic partners or why he has chosen to breed them This book is written with the hope that the knowledge I have acquired these many years will be helpful to create new lines of communication with our partners the horse she shares With more than ten eye opening chapters Horses And Humans The Real Connection is not a training manual but moreover to open the lines communication The book discusses choosing a horse that is right for each individual according to that persons personality and that of the horse they choose the horse and its psyche humans and their psyche trainers and instructors diagnostics and therapies including homeopathic holistic and conventional treatments the art of lunging classic principles of all riding techniques equipment and more This book is written for the inexperienced amateur and professional riders as well The author finds many proposed trainers are lacking in the fundamentals of understanding people and horses particularly the psychological and physical connections that need to be established and understood [The Ocean Wireless Boys on the Pacific](#) John Henry Goldfrap,2023-10-20 In The Ocean Wireless Boys on the Pacific by John Henry Goldfrap the reader is taken on an exciting adventure across the sea as three young boys navigate the challenges of wireless technology and

communication in the early 20th century Through vivid imagery and detailed descriptions of life at sea Goldfrap captures the essence of a bygone era while highlighting the importance of innovation and collaboration The book is reminiscent of other adventure novels of its time such as the Swallows and Amazons series but with a unique focus on technology and its impact on global connectivity Readers will be drawn into the thrilling world of maritime exploration and discovery as they follow the young protagonists on their journey John Henry Goldfrap a well known author of children s adventure novels was likely inspired to write this book by his own fascination with technology and its potential to shape the future His background in maritime history and interest in radio communication are evident in the detailed and accurate portrayals of the boys experiences at sea Goldfrap s writing style is engaging and accessible making The Ocean Wireless Boys on the Pacific a compelling read for readers of all ages I highly recommend The Ocean Wireless Boys on the Pacific to anyone interested in adventure stories maritime history and early wireless technology Goldfrap s captivating narrative and attention to detail make this book a must read for those seeking an immersive and educational literary experience
