*Sea Witch Comes Home* Malcolm Saville, 1960      "Sea Witch" Comes Home Malcolm Saville, 1960      **Sea Witch Comes Home, Etc** Malcolm SAVILLE, 1960      You Girls Stay Here Elizabeth Poynter, 2018-12-14 This book will be of interest to students of both children's literature and gender studies. It re-examines a period long considered to be of poor quality as regards children's books. It explores a range of themes such as female agency, power and courage and additionally gives a linguistic analysis of selected texts. The book adopts a socio-cultural approach placing the authors in their historical context. By focusing on a small number of authors in depth it discovers subtleties perhaps ignored by a broad brush approach. While reflecting their era in some respects these writers also demonstrated individuality in their representation of gender offering a wider range of models to their readers than previous critics have acknowledged      **Seawitch** Kat Richardson, 2013-07-02 Harper Blaine was your average small time PI until she died for two minutes. Now Harper is a Greywalker treading the thin line between the living world and the paranormal realm. And she's discovering that her new abilities are landing her all sorts of strange cases. A quarter century ago the Seawitch cruised away from her dock and disappeared with everyone on board. Now the boat has mysteriously returned to her old berth in Seattle and the insurance company has hired Harper to find out what happened but she's not the only one investigating. Seattle police detective Rey Solis is a good cop albeit one who isn't comfortable with the creepy cases that always seem to end up in Harper's lap. As Solis focuses on the possible murder of a passenger's wife Harper's investigation leads her to a powerful being who may be responsible for the Seawitch's disappearance. While their searches lead Harper and Solis in different directions they will need to put aside their differences to solve a mystery twenty-five years in the making      **Sea Witch** Virginia Kantra, 2008-07-01 First in the new *The Children of the Sea* series from the USA TODAY BESTSELLING AUTHOR Margred is a Selkie, a legendary being of the sea able to shapeshift into seductive human form. And she has found a human she desires. Burned out from the big city Caleb Hunter becomes police chief on the peaceful Maine island of World's End. Then he meets a woman who's everything he's ever dreamed of. Their passion is undeniable, irresistible and it may change the fate of humankind.
