begins by detailing the traditions of sailors a group whose way of life sets them apart Like all others who live and work at sea Pacific mariners face the challenges of an often harsh environment endure separation from their families for months at a time revere their vessels and share a singular attitude to risk and death The period of prehistoric seafaring is discussed using archaeological data interpretations from interisland exchanges experimental voyaging and recent DNA analysis Sections on the arrival of foreign exploring ships centuries later concentrate on relations between visiting sailors and maritime communities The more intrusive influx of commercial trading and whaling ships brought new technology weapons and differences in the ethics of trade The successes and failures of Polynesian chiefs who entered trading with European type ships are recounted as neglected aspects of Pacific history As foreign owned commercial ships expanded in the region so did colonialism which was accompanied by an increase in the number of sailors from metropolitan countries and a decrease in the employment of Pacific islanders on foreign ships Eventually small scale island entrepreneurs expanded interisland shipping and in 1978 the regional Pacific Forum Line was created by newly independent states This was welcomed as a symbolic return to indigenous Pacific ocean linkages The book s final sections detail the life of the modern Pacific seafarer Most Pacific sailors in the global maritime labor market return home after many months at sea bringing money goods a wider perspective of the world and sometimes new diseases Each of these impacts is analyzed particularly in the case of Kiribati a major supplier of labor to foreign ships

Globalisation and Governance in the Pacific Islands Stewart

Firth, 2006-12-01 The Pacific Islands are feeling the effects of globalisation Free trade in sugar and garments is threatening two of Fiji s key industries At the same time other opportunities are emerging Labour migration is growing in importance and Pacific governments are calling for more access to Australia s labour market Fiji has joined Samoa Tonga Tuvalu and Kiribati as a remittance economy with thousands of its citizens working overseas Meantime Papua New Guinea and Solomon Islands grapple with an older kind of globalisation in which overseas companies exploit mineral and forest resources The Pacific Islands confront unique problems of governance in this era of globalisation The modern democratic state often fits awkwardly with traditional ways of doing politics in that part of the world Just as often politicians in the Pacific exploit tradition or invent it to serve modern political purposes The contributors to this volume examine Pacific globalisation and governance from a wide range of perspectives They come from Papua New Guinea Solomon Islands Hawai i the Federated States of Micronesia Samoa Fiji New Zealand and Jamaica as well as Australia Publisher s description

Maritime Cooperation and Security in the Indo-Pacific Region , 2022-12-12 More than twenty Indo Pacific scholars and emerging experts come together in this definitive volume to deliver fresh perspectives and original research on maritime cooperation and security With subjects ranging from the Philippines to Antarctica Coast Guards to climate change these essays pay tribute to the late Commodore Sam Bateman PhD while laying the academic groundwork for the improved policies and behaviours that provide for expanded good order at sea

Resilience and Growth in the Small States of the Pacific

Hoe Ee Khor, Mr. Roger P. Kronenberg, Ms. Patrizia Tumbarello, 2016-08-10 Pacific island countries face unique challenges to realizing their growth potential and raising living standards This book discusses ongoing challenges facing Pacific island countries and policy options to address them Regional cooperation and solutions tailored to their unique challenges as well as further integration with the Asia and Pacific region will each play a role With concerted efforts Pacific island countries can boost potential growth increase resilience and improve the welfare of their citizens **Facts Behind the Strike** Pacific Maritime Association, 1962 *Robert Louis Stevenson's Pacific Impressions* Carla Manfredi, 2018-11-11 This book tackles photography's role during Robert Louis Stevenson's travels throughout the Pacific Island region and is the first study of his family's previously unpublished photographs Cutting across disciplinary boundaries the book integrates photographs with letters non fiction and poetry and includes much unpublished material The original readings of photographs and non fiction highlight Stevenson's engagement with colonial ideology and reality and advance new arguments about Victorian travel settlement and colonialisms in the Pacific Like the Stevensons the book moves from the Marquesas to the atolls of the Gilbert Islands in Micronesia from the Kingdom of Hawaii's political ambitions to Samoan plantations and the Stevensons' settlement at Vailima Central to this study is the notion that Pacific history and Pacific Island cultures matter to the interpretation of Stevenson's work and a rigorous historical and cultural contextualization ensures that local details structure literary and photographic interpretation The book's historical grounding is key to its insightful conclusions regarding travel settlement photography and colonialism *The Regulated Ocean Shipping Industry* United States. Department of Justice, Craig W. Conrath, 1977 **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board, 1997 **Tax Havens and Sovereignty in the Pacific Islands** Anthony B. Van Fossen, Kristy Chambers, 2012 In recent years many countries in Oceania have developed tax havens Using their sovereignty Pacific Islands countries have profited by providing offshore havens from metropolitan taxation and regulation **Tax Havens and Sovereignty in the Pacific Islands** surveys the timely important and controversial topic of Pacific Islands tax havens currently holding hundreds of billions of dollars **Hiring of Seamen** United States. Congress. House. Merchant Marine and Fisheries, 1939 **Hearings** United States. Congress. House. Committee on Merchant Marine and Fisheries, 1939 **Maritime Labor Board** United States. Congress. Senate. Committee on Commerce. Merchant Marine Subcommittee, 1941 Considers 77 H R 4107 **Maritime Labor Board** United States. Congress. Senate. Committee on Commerce. Subcommittee on Merchant Marine, 1941 **Seafarers of the Pacific** Douglas Newton, 1964 *Hiring of Seamen* United States. Congress. House. Committee on Merchant Marine and Fisheries, 1939 **Maritime Men of the Asia-Pacific** Diane Kirkby, 2022-09-15 Winner of the Australia and New Zealand Law and History Society ANZLHS Prize for 2023 Maritime workers occupy a central place in global labour history This new and compelling account from Australia shows seafaring and waterside unions engaged in a shared history of activism for legally regulated wages and safe liveable conditions for all who go to sea

Maritime Men of the Asia Pacific provides a corrective to studies which overlook this region's significance as a provider of the world's maritime labour force and where unions have a rich history of reaching across their differences to forge connections in solidarity. From the militant young Australian Harry Bridges whose progressive unionism transformed the San Francisco waterfront to Australia's successful implementation of the Maritime Labour Convention 2006 this is a story of vision and leadership on the international stage. Unionists who saw themselves as internationalists were also operating within a national and imperial framework where conflicting interests and differences of race and ideology had to be overcome. Union activists in India, China and Japan struggled against indentured labour and coolie standards. They linked with their fellow unionists in pursuing an ideal of international labour rights against the power of shipowners and anti union governments. This is a complex story of endurance, cooperation and conflict and its empowering legacy.
