The God Questions Jimmy F. Orr, D. Min.,2013-12 One of the foundational Christian beliefs is that God has spoken Most of the time in the Bible God makes statements At other times rather than making statements God asks questions And God s questions provoke serious thought Many people have questions they would love to ask God Many more have questions about God But the most important questions are the ones God is asking us The God Questions explores these and other questions God asked people in the Bible Where are you Whom shall I send and who

will go for us Why are you so angry Where have you come from and where are you going Why are you so afraid Why do you call me Lord Lord and do not do what I say Who do you say that I am When the Son of Man comes will he find faith on the earth The questions God asked people of ancient times are the same questions God is asking us today Discover the questions God is asking you and in doing so find out what God has in mind for your life **Beyond Racial Gridlock** George Yancey,2009-08-20 Sociologist George Yancey critiques four models of race colorblindness Anglo conformity multiculturalism and white responsibility and introduces a new model mutual responsibility He offers hope that people of all races can walk together on a shared path toward racial reconciliation not as adversaries but as collaborators and partners *One Step at a Time* Timothy C. development was not a foundational part of growing up Pastor Philip J Rasmussen vice president of church relations and spiritual formation at Northwest University draws on his experience working closely with pastors and students to outline the problems to developing the next generation of church leaders as well as solutions He knows how concerned church leaders are with finding qualified ministerial replacements but he also knows most students have not been prepared to live a life in ministry If they don't get the guidance they need a shortage of qualified individuals looms on the horizon Lead Strong starts with the premise that a person must fully embrace the Fruit of Spirit as the vital elements for character development When the Fruit of Spirit is present in a believer's life essential leadership qualities will naturally flow as the leader influences people This book can be used for ministry training sessions small group studies or one's individual devotional development Its purpose is to reveal the role of the Holy Spirit in the life of the believer and to clearly describe the fruit that His presence should bear in one's character
