McCarthy,1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher Treasure Hunt Peter Earle,2008-07-08 A remarkable book in which a very wide spectrum of human behavior is on show from colossal gullibility on the one hand to extraordinary ingenuity and determination on the other The Daily Telegraph UK Treasure Hunt is the story of an obsession Rumors of Spanish treasure or gold and silver at the bottom of the sea have been a part of maritime lore for centuries In 1687 Captain William Phips brought back to port an incredible cargo nearly forty tons of silver and gold the treasure of the Spanish galleon Concepci n wrecked over forty years before on a coral reef in the middle of the ocean The unimaginable had become real and the great treasure hunting boom had begun Soon after Phips s success there were numerous expeditions that meant to emulate his stunning achievement During that same time there was also a boom in the invention of crude and often very dangerous diving equipment Many of these new projects were promoted on the infant stock market where gambling and treasure hunting became closely connected with the birth of modern capitalism By the eighteenth and nineteenth centuries treasure hunting had become a professional occupation with a new breed of diver emerging Much of their time was spent

salvaging the wrecks of English and Dutch East Indiamen carrying treasure to finance business in Asia Ever since men have been prepared to risk life and fortune in the search for underwater riches The author of numerous books of maritime history including *The Pirate Wars* and *The Sack of Panam* world renowned historian Peter Earle returns with an extraordinary and little known history of outstanding bravery of exceptional recklessness and above all of the unquenchable lust for treasure
