

The Ox

Here is a tale for farmer and for peasant:

There was an ox, who might have ploughed for Jason,

So strong was he, his huge head like a bason,

A Gothic helmet with enormous crescent.

Stolid of look and slow of hoof and steady,

Meek was the beast and born but to be driven,

Unmindful of the yoke which toil had given,

Toil with his goad and lash for ever ready.

One day a bull, who was the bullock's neighbor,

Proud as a sultan haremed with his women,

Lowd to the ox who had received a beating:

'You are a fool! What have you for your labour?

Blows and bad food! Go to. Why don't you show men?'

The ox was but an ox and went on eating.

Cold Mountain Poems Han Shan, 2009-07-21 The incomparable poetry of Han Shan Cold Mountain and his sidekick Shih Te the rebel poets who became icons of Chinese poetry and Zen has long captured the imagination of poetry lovers and Zen aficionados Popularized in the West by Beat Generation writers Gary Snyder and Jack Kerouac these legendary Tang era 618-907 figures are portrayed as the laughing ragged pair who left their poetry on stones trees farmhouses and the walls of the monasteries they visited Their poetry expressed in the simplest verse but in a completely new tone the voice of ordinary people Here premier translator J P Seaton takes a fresh look at these captivating poets along with Wang Fan chih another outsider poet who lived a couple centuries later and who captured the poverty and gritty day to day reality of the common people of his time Seaton's comprehensive introduction and notes throughout give a fascinating context to this vibrant collection

To Make a Poem Alberta Turner, 1992-04 A poem comes from the same human need as a prayer a curse a lullaby and a keen How can emotion use language to satisfy its most urgent need and how can it share and prolong that satisfaction by putting it into poems that will satisfy the same need in others The answer can be learned and the skill taught Unlike many other

textbooks this one has no teaching manual and Alberta Turner does not expect those who use it to agree with her interpretations Each principle is illustrated with detailed analysis of several poems but it is up to the teachers and students to decide whether it has succeeded or failed Poetic tastes can't be legislated they have to creep by underground runners Although a poem never illustrates only one poetic principle at a time this book has focused on each separately Since the book is intended to be used by beginning poets the principles are sequenced from simpler to more complex As courses in writing poetry range from two week enrichment programs to full semester college workshops the book is arranged so that the course can be shortened or lengthened This book will work best for flexible imaginative teachers of flexible imaginative students A Collegiate Press book

Compulsory Figures: Essays on Recent American Poets Henry Taylor, 1992 Struggling Times Louis Simpson, 2016-09-05 Pulitzer Prize winning poet Louis Simpson has been a leading figure in American letters for more than half a century Born in the West Indies Simpson immigrated to the United States at the age of seventeen He studied at Columbia University then served the US Army in active duty in Europe during World War II After the war he continued his studies at Columbia and at the University of Paris While living in France he published his first book of poems *The Arrivistes* 1949 The poems in *Struggling Times* find Simpson's distinct imaginative voice working at its full poetic power Both timely and personal the poems reveal Simpson's ongoing quarrel with suburban America as well as the American government's struggle to retain its integrity and honor in the midst of its own aggression and worldwide strife You have to be careful what you hear or see In Afghanistan I saw the man and the woman who were caught in adultery buried up to their heads Their children were brought and told to throw stones I can still see the heads twisting on the ground The poor devil in Papillon with his head in the guillotine but Goya's half buried dog looking up at the sky I think was the worst of all This is the Jamaican born Simpson's 18th collection its dry trimeters and tragic resignations should certainly please the faithful fans Yet the new poems as much as any in his oeuvre leave room for unexpected happiness Simpson believes in endurance and the rewards of the ordinary He can at his best make his readers believe in those things too Publishers Weekly Louis Simpson's last book *The Owner of the House* New Collected Poems 1940-2001 BOA Editions Ltd 2003 was finalist for the National Book Award and the Griffin Poetry Prize His other honors include the Prix de Rome Guggenheim Foundation fellowships and the Columbia Medal for Excellence

Zen Poems of the Five Mountains David Pollack, 1985 **The Contemporary Narrative Poem** Steven P.

Schneider, 2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic *The Contemporary Narrative Poem* examines this resurgence of narrative and the cultural and literary forces motivating it Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems How do contemporary narrative poems differ from modernist narrative poems In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry *A New Zen for Women* Perle

Besserman, 2025-10-16 Perle Besserman's adventures in a Japanese Zen monastery provide the groundwork for this lively heartwarming narrative of a woman's life in Zen Engaging in cross cultural dialogues with nuns and laywomen in India China Japan and more Besserman dispels the notion that women had nothing to do with the founding and sustaining of Zen She shows how women continue to transform traditional Zen in new and creative ways integrating the practice of meditation into their lives Both informative and entertaining *A New Zen for Women* offers a new look at Western women encountering Zen
