

The Searching Mind of Greece

by
JOHN M. WARRICK, PH.D.
Professor of Philosophy
at
Mount Holyoke College

"The gods have not shown forth
all things to men from the be-
ginning, but by seeking they
gradually find out what is
hidden."

HERACLITUS.

F. S. CROFTS & CO.
NEW YORK 1931

Searching Mind Of Greece

John Potter

Searching Mind Of Greece:

The Searching Mind of Greece John Martyn Warbeke,1930 *The Searching Mind of Greece* John Martyn Warbeke,1930

The Searching Mind of Greece John M. Warbeke,1934 **God-Man. ... Search and Manifestation** Luther Tracy
TOWNSEND,1872 **Structural Depths of Indian Thought** P. T. Raju,1989-06-15 No other work treating Indian philosophy on a comparable scale contains the illuminating comparisons between doctrines of Indian schools and the thought of Western philosophy ranging from Plato to Sartre and Wittgenstein It will moreover contribute to the understanding of Western philosophy by Indian thinkers and vice versa Raju has an intimate acquaintance with a remarkable range of Western thinkers and this distinguishes his work from most of what has gone before Raju moreover is himself a critical thinker and consequently although he has written a history he treats the ideas and doctrines in a philosophical mode and his assessments of positions are often original and illuminating John E Smith Clark Professor of Philosophy Yale University Purpose To deal with Indian philosophy in a fashion reflecting the way the best German historians of philosophy deal with Western philosophy The book is remarkable for its comprehensiveness in combination with extensive critical discussions Raju s book is more critical than Radhakrishnan s and more philosophical than Dasgupta s Radhakrishnan s comments are far less philosophically sophisticated and interesting than Raju s a monument to a senior Indian philosopher s lifelong study and thoughtful critical consideration of the great classical systems of his tradition Karl H Potter Professor of Philosophy University of Washington Raju s credentials are impeccable He is one of the few scholars in the world who could presume to write a major work on Indian thought Accordingly his knowledge of the Indian schools is accurate and impressive To the extent that one of his intentions is to cast those schools in terms which make them more intelligible to western readers his work measures up very well Harold H Oliver Professor of Philosophy Boston University *Introduction to Comparative Philosophy* P. T. Raju,2007-01-01 This classic comparative study of the world s three great philosophies Western including Jewish Indian and Chinese surveys the three philosophical traditions from their beginnings to the present time However in examining the traditions Professor Raju has been less occupied with separate doctrines and individual thinkers than with essential characteristics and general trends He has analyzed and compared these features within the traditions and explored the parallels and divergences among them For the general interested reader the interchange among the philosophies will be especially valuable For the students of religion and of philosophy the work is a standard guide and reference work **The History of Greece** Ernst Curtius,1871 *Aera van Europa* Jan Romein,2023-12-28 *Greece* Charles Herbert Sylvester,1924 **In Search of the Classical World** Dudley Moore,2015-09-04 This book provides an introduction to the complex world of the ancient societies of the Aegean offering general insights into the Aegean civilisations of the Minoans the Mycenaeans the Trojans of the Bronze Age and the later Classical Greeks With regard to the latter the book explores their history against the might of Persia and the strife and tribulations between their own Greek city states particularly

Athens and Sparta It also shows how Classical Greece made use of the Homeric heroes of the Mycenaean period in its literature and drama to reflect upon its own ancient heritage A history of Greece, from the earliest times to the destruction of Corinth, B.C. 146, based upon that of C. Tirlwall Leonhard Schmitz,1858 **A History of Greece from the Earliest Times to the Destruction of Corinth (B.C. 146) Mainly Based Upon that of Connop Thirlwall, D.D.** Leonhard Schmitz,1863 *The History of Greece* ,1795 The German archaeologist Ernst Curtius 1814 1896 published this seminal work in three volumes between 1857 and 1867 It quickly became a bestseller and was republished in numerous German editions The work was translated into English by the eminent British historian Adolphus William Ward 1837 1924 who divided it into five volumes published between 1868 and 1873 Volume 2 focuses on the themes of conflict and unity with the second part of Book 2 and Book 3 which covers the Ionian revolt and the events that led to the outbreak of the Peloponnesian War Curtius History was a pioneering work of nineteenth century classical scholarship For many generations it provided an indispensable guide through the complex history of the ancient Greek world and it continues to inspire researchers today International Journal of Ethics ,1929 Includes section Book reviews *An Intellectual and Cultural History of the Western World* Harry Elmer Barnes,1965 **Archaeologia graeca, or, The antiquities of Greece ... A new edition; with a life of the author, by Robert Anderson, M.D., and an appendix ... by George Dunbar, etc** John POTTER (successively Bishop of Oxford and Archbishop of Canterbury.),1827 Books in Print ,1952 *The Christian Century* ,1921 **Archaeologia Graeca, Or the Antiquities of Greece, 1** John Potter,1820 **Freshman Writing** Ollie Depew,1948
