[Reading Enid Blyton](#) Philip Gillett, 2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers  
New editions of her work have been published regularly since her death in 1968  
Recently there have also been stage and television adaptations of her Malory Towers books while other authors have continued to write stories based on her characters  
There are also Famous Five parodies which rely on readers' familiarity with the series  
A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children  
[Reading Enid Blyton](#) places the author's work in its cultural and historical context  
The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy  
A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared  
[The Rise and Decline of the Redneck Riviera](#) Harvey H. Jackson, 2012-05-01 A lucid often pithy history of the eastern Gulf Coast vacation destination by an Alabama native who is a talented storyteller as well as a scholar

Washington Times In The Rise and Decline of the Redneck Riviera Southern historian Harvey H Jackson presents a cultural history of the coastal region stretching from Mobile Bay and Gulf Shores Alabama to Panama City Florida an area known as the Redneck Riviera Jackson chronicles the evolution of the area from the late 1920s when it was sparsely populated with small fishing villages through to the devastating BP Deepwater Horizon oil spill of 2010 With both personal and historical perspectives Jackson explores the area's development as a middle and working class vacation destination following World War II the building boom of the fifties and sixties and the emergence of the Spring Break season He tracks the hurricanes that destroyed historic construction the building boom that brought high rise condos and the effects of the 2008 housing market crash While his major focus is on the social cultural and economic development he also documents the environmental and financial impacts of natural disasters and the politics of beach access and dune and sea turtle protection
