Labyrinth Year Richard Kautz,2005-10-01 Perhaps nothing expresses the mystery of our search for the divine as well as the labyrinth A circular pathway based on spirals found in nature the labyrinth is a time honored spiritual tool in faith traditions as varied as Native American Jewish and Celtic As seekers walk to the center of the labyrinth their minds quiet and turn to God Walking out again they bring into the world the spiritual gifts they've received In *A Labyrinth Year* Kautz guides readers on a labyrinth pilgrimage that winds through the seasons of the liturgical year with devotions to be used while walking the labyrinth based on the thoughts and emotions of biblical characters whose stories are recalled in the seasonal scripture readings As readers explore the journeys of these people of faith they connect with the deeper meaning of the stories and learn to live them out in their own experience *Whitaker's Books in Print* ,1998 **Keeping Christmas** James A.

Hopwood,2019-09-17 Christmas is the most wonderful time of the year or at least we want it to be Too often our celebration of Jesus birthday is overwhelmed by bright lights and tinsel overspending and overeating plus constant chatter about a war on Christmas Can't we do better than this There are two Christmases One is sacred One is secular The two have clashed in one culture war or another for 1 700 years Christmas is not as some falsely claim a pagan holiday but pagan influenced traditions are part of the seasonal clutter *Keeping Christmas* is about helping you find joy in a season of excess and strife Part survival guide part history part cultural commentary and all laced with spiritual reflection this book is about how you can celebrate in ways that are most meaningful to you and your family It's not easy to thread your way through the Christmas maze But if Ebenezer Scrooge could learn to keep Christmas well so can you Maybe it's time to reinvent Christmas Maybe we can get it right this time *In Days to Come* George Hovaness Donigian,2017-09-01 Many people end their celebration of Christmas on December 25 but George Donigian reminds us that the celebration is only beginning Donigian offers meditations that begin with Advent and continue through Epiphany January 6 also known as the 12th night of Christmas Like the surprises of an Advent calendar the meditations touch on many subjects Some topics include An Editor A Counting Song Prudence and Chrismons Instead of putting away your nativity scenes and other Christmas decorations on December 25 celebrate all the days to come *In Days to Come* offers devotional meditations based on a merger of several Christmas traditions Advent calendars ancient Advent prayers known as the O Antiphons the traditional celebration of Christmas on December 25 and the Armenian Orthodox celebration of Christmas on January 6 The meditations 4 per week count down

from the first week of Advent to Epiphany While each reading stands alone the meditations are rooted in a weekly theme Donigian s writing style is conversational and given his diverse interests the conversation ranges widely In Days to Come encourages us to move with the Incarnation of Jesus Christ into the new year and into mission and ministry Come, Lord Jesus!
