Super Skills, Super Reading Perry Dantzler, 2020-12-25 What comes to mind when you think about superheroes Strength bravery and heroism are common answers However superheroes do not only have physical strength but they also have mental strengths and skills Superheroes tend to have intelligence and detection skills which allow them to develop other skills In this analysis of superhero literacy aimed at students the connection between superhero media and larger theories of literacy are explored The author uses six superhero television shows to show how literacy is portrayed in superhero media and how it reflects and shapes cultural ideas of literacy The shows covered are Arrow The Flash Gotham Jessica Jones Luke Cage and Daredevil **Focus On: 100 Most Popular Television Series by Warner Bros. contributors, *Dexter and Philosophy* Richard Greene, George A. Reisch, Rachel Robison, 2011-04-12 What explains the huge popular following for Dexter currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although Dexter Morgan kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry's Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope Since Dexter is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does Dexter fit the profile of the familiar fictional type of the superhero What part does luck play in making Dexter who he is How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is Dexter's emotional coldness to his lust for slicing people up Are Dexter's lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does Dexter long to be a normal human being and why can't he accomplish this apparently simple goal *Beaverhead National Forest (N.F.), Upper Ruby Cattle & Horse Allotment*
