

Greensleeves

by Henry VIII

Flow, my love, go for me
To not be off from me
and I have told you so long
delighting in your company

And when you are all my joy
And when you are my delight
And when you are my heart of joy
And who but only Greensleeves

Mary, Mary, quite contrary,
How does your garden grow,
With silver bells and crystal
And young maidens all in a row

The first stanza was
written by Mary II,
and the second by
Thomas Wyatt.

Seasons Of Lovelove Poetry Of The Tudor:

The Tudors in Love Sarah Gristwood, 2022-12-13 Sarah Gristwood's *The Tudors in Love* offers a brilliant history of the Tudor dynasty showing how the rules of romantic courtly love irrevocably shaped the politics and international diplomacy of the period. Why did Henry VIII marry six times? Why did Anne Boleyn have to die? Why did Elizabeth I's courtiers hail her as a goddess come to earth? The dramas of courtly love have captivated centuries of readers and dreamers. Yet too often they're dismissed as something existing only in books and song, those old legends of King Arthur and chivalric fantasy. Not so. In this ground-breaking history, Sarah Gristwood reveals the way courtly love made and marred the Tudor dynasty. From Henry VIII declaring himself as the loyal and most assured servant of Anne Boleyn to the poems lavished on Elizabeth I by her suitors, the Tudors re-enacted the roles of the devoted lovers and capricious mistresses first laid out in the romances of medieval literature. *The Tudors in Love* dissects the codes of love, desire, and power, unveiling romantic obsessions that have shaped the history of the world.

Latin Love Poetry Denise Eileen McCoskey, Zara M. Torlone, 2013-12-17 I hate and I love. The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries. While his description might seem to modern readers natural and spontaneous, it is actually a response planned with great care and artistry. It is that artistry and the way in which Roman love poetry works that this book explores. Focusing on Catullus and on the later genre of elegy, so-called for its metre and a form of poetry practiced by Tibullus, Propertius, and Ovid, Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work. Setting poets and their writings especially against the turbulent backdrop of the Augustan Age (31 BCE–14 CE), the book examines the origins of Latin elegy, highlights the poets' key themes, and traces their reception by later writers and readers.

Writing on the Wall Tom Standage, 2014-09-16 Chronicles social media over two millennia, from papyrus letters that Cicero used to exchange news across the Empire to today, reminding us how modern behavior echoes that of prior centuries and encouraging debate and discussion about how we'll communicate in the future.

Rethinking Chivalry and Courtly Love Jennifer G. Wollock, 2011-04-07 This book offers an overview of the origins, growth, and influence of chivalry and courtly love, casting new light on the importance of these medieval ideals for understanding world history and culture to the present day. *Rethinking Chivalry and Courtly Love* shows that these two interlinked medieval era concepts are best understood in light of each other. It is the first book to explore the multicultural origins of chivalry and courtly love in tandem, tracing their sources back to the ancient world, then follow their development separately and together through medieval life and literature. In addition to examining the history of chivalry and courtly love, this remarkable volume looks at their enduring legacy not just in popular media but in molding our present-day concepts of human rights, professional ethics, military conduct, and gender relations. Readers will see how understanding the tenets of the chivalrous life helps us understand our own world today.
