plan of salvation during her earthly life makes her for us the perfect model of faith. Pondering in her heart the mysteries she encountered throughout her life, she is the perfect contemplative. Author Barbara Hughes O C D S looks to Sacred Scripture as the primary and essential reference for her portrait of our Lady. For colorful detail, she draws on two thousand years of Sacred Tradition sourced in the writings of the church fathers, saints, and theologians. Finally, Hughes finds further depth and exquisite details of Mary's interior life in the mystical writings of the Carmelite saints and Doctors of the Church. The saints of Carmel, the canonized brothers and sisters of Our Lady of Mount Carmel, are invaluable guides that help us navigate the mystical waters of contemplation and union with God, which Mary exemplifies. Saints John of the Cross and Teresa of Jesus teach us the importance of living by faith, especially when God appears to be absent or when his plans are veiled to the eyes of even the holiest people, such as Mary. This book is for all of Mary's beloved children to offer them an intimate portrait of their Blessed Mother.
