## **Secessionist Movements In Comparative Perspective Hb:**

*Secessionist Movements in Comparative Perspective* International Centre for Ethnic Studies, 1990 Committed against an existing state secession often centred on a minority ethnic identity can result in a new national unit or a self governing area within the larger state This book examines the variety and growing incidence of secessionist movements around the world

*The Muslim World Book Review* ,1993      *Secessionist Movements in Comparative Perspective* Ralph R. Premdas, 1990

*The Quarterly Index Islamicus* ,1991      **Index Islamicus** ,1991 A bibliography of books and index of articles in periodicals on Islam and the Muslim world Also includes reviews      **ECPR News** ,1997      **Social Sciences Index** ,2001

**The Military and Democracy in Asia and the Pacific** Ronald James May, Viberto Selochan, 2004-03-01 In *The Military and Democracy in Asia and the Pacific* a number of prominent regional specialists take a fresh look at the military's changing role in selected countries of Asia and the Pacific particularly with regard to the countries' performance against criteria of democratic government Indonesia Thailand the Philippines Burma Pakistan Bangladesh South Korea Fiji and Papua New Guinea all fall under the spotlight as the authors examine the role which the military has played in bringing about changes of political regime and in resisting pressures for change      The British National Bibliography Arthur James Wells, 1992

*Diplomatic Correspondence of the United States Concerning the Independence of the Latin-American Nations* William Ray Manning, 1925      World Christian Trends Ad30-ad2200 (hb) ,2001      The Politics of Democratic Consolidation Richard Gunther, P. Nikiforos Diamandouros, Hans-Jürgen Puhle, 1995-08 With democracy on the rise worldwide questions about transition are rapidly being replaced by questions about consolidation How can leaders provide for a stable democracy once a nation has made its initial commitment to the rule of law and to popularly elected government In *The Politics of Democratic Consolidation* a distinguished group of internationally recognized scholars focus on four nations of Southern Europe Spain Portugal Italy and Greece which have successfully consolidated their democratic regimes Contributors P Nikiforos Diamandouros Richard Gunther Hans Jürgen Puhle Edward Malefakis Juan J Linz Alfred Stepan Felipe Agüero Geoffrey Pridham Sidney Tarrow Leonardo Morlino Jos R Montero Gianfranco Pasquino and Philippe C Schmitter      *The Korean State and Social Policy* Stein Ringen, Huk-ju Kwon, Ilcheong Yi, Taekyoon Kim, Jooha Lee, 2011-05-27 There are two great mysteries in the political economy of South Korea How could a destroyed country in next to no time become a sophisticated and affluent economy And how could a ruthlessly authoritarian regime metamorphose with relative ease into a stable democratic polity South Korea was long ruled with harsh authoritarianism but strangely the authoritarian rulers made energetic use of social policy *The Korean State and Social Policy* observes South Korean public policy from 1945 to 2000 through the prism of social policy to examine how the rulers operated and worked After the military coup in 1961 the new leaders used social policy to buy themselves legitimacy That enabled them to rule in two very different ways simultaneously In their determination to hold on to power they were without mercy but in the use of power in governance their strategy was

to co opt and mobilize with a sophistication that is wholly exceptional among authoritarian rulers It is governance and not power that explains the Korean miracle Mobilization is a strategy with consequences South Korea was not only led to economic development but also inadvertently perhaps built up as a society rich in public and civil institutions When authoritarianism collapsed under the force of nationwide uprisings in 1987 the institutions of a reasonably pluralistic social and political order were there alive and well and democracy could take over without further serious drama This book is about many things development and modernization dictatorship and democracy state capacity and governance social protection and welfare states and Korean history But finally it is about lifting social policy analysis out of the ghetto of self sufficiency it is often confined to and into the center ground of hard political science *ILSA Journal of International & Comparative Law*, 2000

**Transnational Mobilization and Domestic Regime Change** H. Schmitz, 2006-03-13 Africa represents the next frontier of the transnational politics of democratization Recent efforts to promote human rights and democracy have yielded a mixed record of success A comparison of regime change in Kenya and Uganda reveals how principled interventions have unintentional adverse effects on the democratic reform process *An Unruly Child* Bruce Kercher, 2020-07-23 This is a provocative re examination of our legal history appearing at a time when Australians are reconsidering both their past and their future The Hon Justice Michael Kirby AC CMG President of the New South Wales Court of Appeal The imperial view of Australian law was that it was a weak derivative of English law In *An Unruly Child* Bruce Kercher rewrites history He reveals that since 1788 there has been a contest between the received legal wisdom of Mother England and her sometimes unruly offspring The resulting law often suited local interests but was not always more just Kercher also shows that law has played a major role in Australian social history From the convict settlements and the Eureka stockade in the early years to the Harvester Judgement the White Australia Policy and most recently the Mabo case central themes of Australian history have been framed by the legal system *An Unruly Child* is a groundbreaking work which will influence our understanding of Australia s history and its legal system

**Foundations for Local Governance** Fumihiko Saito, 2008-01-15 Successful reforms need coherent approaches in which a range of stakeholders are willing to share responsibilities and resources in order to achieve the ultimate outcome of poverty reduction in developing countries This book provides a framework to access intended outcomes generated by decentralization measures implemented in Asian and African countries It is based on comparative analyses of different experiences of decentralization measures in six developing countries

**Special Issue: The Discourse of Judging** Austin Sarat, 2012-09-12 This special issue of *Studies in Law Politics and Society* focuses on the discourse of judging and the language of judging within many diverse legal scenarios The volume features chapters specifically on the language of rights within the context of abortion and same sex marriage cases discourses within the European Court of Justice the mod

**Governing Social Protection in the Long Term** Gaby Ramia, 2020-06-30 This open access book examines the comparative evolution of social protection in Australia and New Zealand from 1890 to the present

day focusing on the relationship between employment relations and social policy Utilising longstanding and more recent developments in historical institutionalist methodology Ramia investigates the relationship between these two policy domains in the context of social protection theory He argues that treating employment relations as dynamic and as inextricably intertwined with changes in the welfare state over time allows for more accurate portrayal of similarity and difference in social protection The book will be of most interest to researchers advanced undergraduate and postgraduate students in social policy employment relations public policy social and political history and comparative politics

**Researching Terrorism, Peace and Conflict Studies** Ioannis Tellidis, Harmonie Toros, 2015-02-11 This book examines potential synergies between the fields of Terrorism Studies and Peace and Conflict Studies The volume presents theoretically and empirically informed contributions which shed light on whether the two fields can inform each other on issues of mutual interest and importance The book examines key themes including the conceptualisation s of peace and violence the exceptionalisation of terrorist violence the relationship between scholarship and political power the dysfunctionality of the liberal peace and the opportunities offered by post liberal peacebuilding frameworks and the implications and challenges of cyber terrorism and cyber conflict Furthermore the book intends to be a launching pad for future debate on whether the recent critical turn in terrorism studies can offer a pathway for peace studies to engage with the so far largely ignored question of power Consisting of not only key scholars but also practitioners and policy makers the contributors present a number of case studies including Colombia Northern Ireland the Basque Country and Iraq where they explore the relationships between terrorism and peace and conflict approaches They critically analyse the statist approach inherent in both terrorism approaches and liberal peacebuilding frameworks the role of the grassroots levels of society the inefficiency of simplistic frameworks of understanding and implementation and the chains of governance from international and transnational actors to national actors and finally from national to local actors This book will be of much interest to students of terrorism studies peace and conflict studies IR and security studies
