Shame In Shakespeare:

Shame in Shakespeare Ewan Fernie, 2002 This book offers a new and exciting view of Shakespeare's tragedies through a passionate and provocative argument for reclaiming shame **Shame in Shakespeare** Ewan Fernie, 2012-09-10 One of the most intense and painful of our human passions shame is typically seen in contemporary culture as a disability or a disease to be cured Shakespeare's ultimately positive portrayal of the emotion challenges this view Drawing on philosophers and theorists of shame **Shame in Shakespeare** analyses the shame and humiliation suffered by the tragic hero providing not only a new approach to Shakespeare but a committed and provocative argument for reclaiming shame The volume provides an account of previous traditions of shame and of the Renaissance context a thematic map of the rich manifestations of both masculine and feminine shame in Shakespeare detailed readings of Hamlet Othello and King Lear an analysis of the limitations of Roman shame in Antony and Cleopatra and Coriolanus a polemical discussion of the fortunes of shame in modern literature after Shakespeare The book presents a Shakespearean vision of shame as the way to the world outside the self It establishes the continued vitality and relevance of Shakespeare and offers a fresh and exciting way of seeing his tragedies **Holding a Mirror up to Nature** James Gilligan, David A.J. Richards, 2021-12-02 Shakespeare reveals the causes and consequences of violence more profoundly than any social or behavioural scientist has ever done

Shakespeare's English Histories and Their Afterlives Peter Holland, 2010 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances The theme for volume 63 is Shakespeare's English Histories and their Afterlives The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey> This fully searchable resource enables users to browse by author essay and volume search by play theme and topic and save and bookmark their results *The Cambridge Companion to Shakespeare* Margreta de Grazia, Stanley Wells, 2001-04-05 This book offers a comprehensive readable and authoritative introduction to the study of Shakespeare by means of nineteen newly commissioned essays An international team of prominent scholars provide a broadly cultural approach to the chief literary performative and historical aspects of Shakespeare's work They bring the latest scholarship to bear on traditional subjects of Shakespeare study such as biography the transmission of the texts the main dramatic and poetic genres the stage in Shakespeare's time and the history of criticism and performance In addition authors engage with more recently defined topics gender and sexuality Shakespeare on film the presence of foreigners in Shakespeare's England and his impact on other cultures Helpful reference features include chronologies of the life and works illustrations detailed reading lists and a bibliographical essay **Shakespeare and Renaissance Ethics** Patrick Gray, John D. Cox, 2014-07-24 Written by a distinguished international team of contributors this

volume explores Shakespeare's vivid depictions of moral deliberation and individual choice in light of Renaissance debates about ethics. Examining the intellectual context of Shakespeare's plays, the essays illuminate Shakespeare's engagement with the most pressing moral questions of his time, considering the competing claims of politics, Christian ethics, and classical moral philosophy, as well as new perspectives on controversial topics such as conscience, prayer, revenge, and suicide. Looking at Shakespeare's responses to emerging schools of thought such as Calvinism and Epicureanism, and assessing comparisons between Shakespeare and his French contemporary Montaigne, the collection addresses questions such as: when does laughter become cruel? How does style reflect moral perspective? Does shame lead to self-awareness? This book is of great interest to scholars and students of Shakespeare studies, Renaissance studies, and the history of ethics. Shakespeare's Sonnets James Schiffer, 2013-04-15 Shakespeare's Sonnets Critical Essays is the essential Sonnets anthology for our time. This important collection focuses exclusively on contemporary criticism of the Sonnets, reprinting three highly influential essays from the past decade and including sixteen original analyses by leading scholars in the field. The contributors' diverse approaches range from the new historicism to the new bibliography, from formalism to feminism, from reception theory to cultural materialism, and from biographical criticism to queer theory. In addition, James Schiffer's introduction offers a comprehensive survey of 400 years of criticism of these fascinating enigmatic poems. **A Concordance to Shakespeare's Poems** Mrs. Horace Howard Furness, 1902 *A Concordance to Shakespeare's Poems* Horace Furness, 2025-07-18 Reprint of the original first published in 1874. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **A Concordance to Shakespeare's Poems: an Index to Every Word Therein Contained. By Mrs. H. H. Furness** Mrs. Helen Kate FURNESS, 1875 **The Oxford Handbook of Shakespeare's Poetry** Jonathan Post, 2013-07-18 The Oxford Handbook of Shakespeare's Poetry contains thirty-eight original essays written by leading Shakespeareans around the world. Collectively, these essays seek to return readers to a revived understanding of Shakespeare's verbal artistry in both the poems and the drama. The volume understands poetry to be not just a formal category designating a particular literary genre but to be inclusive of the dramatic verse as well, and of Shakespeare's influence as a poet on later generations of writers in English and beyond. Focusing on a broad set of interpretive concerns, the volume tackles general matters of Shakespeare's style, earlier and later questions of influence from classical, continental, and native sources, the importance of words, line, and rhyme to meaning, the significance of songs and ballads in the drama, the place of gender in the verse, including the relationship of Shakespeare's poetry to the visual arts, the different values attached to speaking Shakespeare in the theatre, and the adaptation of Shakespearean verse as distinct from performance into other periods and languages. The largest section, with ten essays, is devoted to the poems themselves: the Sonnets, plus *A Lover's Complaint*, the narrative poems *Venus and Adonis* and *The Rape of Lucrece*, and *The Phoenix and the Turtle*. If the volume as a whole urges a

renewed involvement in the complex matter of Shakespeare's poetry it does so as the individual essays testify by way of responding to critical trends and discoveries made during the last three decades *A Dictionary of the English Language ... Abstracted from the folio edition, by the author, etc* Samuel Johnson, 1756 *A Dictionary of the English Language* Samuel Johnson, 1756 **Shakespeare's Richard II, Julius Caesar and Macbeth** William Shakespeare, 1909 **Shakespeare's History of King Henry the Fifth** William Shakespeare, 1905 *Lexicon zu Shakespeare's Werken* Schmidt, 1875 **Mr. William Shakespeare's Comedies, Histories, Tragedies, and Poems** William Shakespeare, 1883 *Reason Not Omry* Smith, 2009 This theoretical study guides the reader through some of Shakespeare's most emotionally turbulent dramatic worlds offering a close examination of the fascinating emotional rhetoric employed by several key characters These characters manipulate others and sometimes even themselves using a device broadly known in the terminology of rhetoric as emotional appeal Although Shakespeare displays immense interest in the human passions and makes frequent use of the tools of classical rhetoric this study presents the first systematic inquiry into the emotional component of rhetoric in his drama The book also offers the reader a broad perspective on Shakespearean drama by highlighting diverse characters who embody the human tendency to worship reason and rationalise reality In contrast to those emotionally intelligent characters who acknowledge the crucial power of emotion in life and their inability to neutralise it other characters deny this reality Ironically it is precisely those who deny emotion and obsessively seek rationality that eventually fall victim to their own intense passion in some cases in response to emotional appeals from others *Shakespeare's King Richard ii, abridged to 1500 lines, with notes* William Shakespeare, 1884 *A dictionary of the English language. Abstracted from the folio ed., by the author. To which is prefixed, A grammar of the English language* Samuel Johnson, 1792

This is likewise one of the factors by obtaining the soft documents of this **Shame In Shakespeare** by online.
