Page to see your page in the frame to the right At the root of most of the problems we face in our lives today is disobedience
God is calling his people to fulfil his will and walk in the power of his word and if we are willing to respond then we must
embrace submission The very word and concept of submission has been tainted to the point that many despise and scorn it
In this book you will discover that submission is not to be rejected it is power Power to change your life marriage family job
community and ministry But more than anything it will change your relationship with God Each chapter will offer revelation
inspiration motivation and testimonies of real life struggles and victories If you only read a few books this year make sure one
of them is The Power of Submission In this book submission is given physical expression by the woman Nonetheless its
message is for men leaders or anyone who desire a more committed and powerful walk with God If you need a fresh Word a
wake up call in your spirit or passion to push to the finish line then pick up this book and prepare to be inspired by the
power of submission **Proverbs** Dr. Jim Leggett,2025-01-03 Wisdom It's something we all need It doesn't come
automatically And it doesn't always come from experience Solomon tells us it is directly related to the fear of the Lord 1 7
James tells us it comes from God and it must be sought James 1 5 The book of Proverbs was written for just that purpose so
that we might know wisdom so that we might receive instruction for wise living and so that we might perceive the words of
understanding 1 2 That's what this book is all about It will change our attitudes It will affect the way we respond to others It
will show us the best way to honor God in the everyday experiences of our lives It will help us to avoid pitfalls and choose the
best course of action to benefit ourselves and others The wisdom we are able to glean from this book will keep us on the right
path as we ride along the trail of our lives As a devotional commentary the purpose of this book is threefold 1 to help us learn
what the Bible says 2 to make us aware of its relevance and 3 to see how befittingly it applies to our own struggles and the
everyday experiences of our personal lives *Find It Fast in the Bible* Thomas Nelson,2000-05-06 Noticing a frequently
used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics But computer

concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding
sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new
