a story they knew in their hearts was truly unique and sacred Each gave the present collector permission to share the words of this tale They wanted the whole world to learn about a great legend they had themselves spent years learning This story is about the potential for social renewal and those two singers believed it could better the lives of all who listened to it Fifty five years later following in the footsteps of these two men their enthusiasm has now born fruit in a book they had both hoped for but could never have written themselves Michel and Angèle.
