Lee,1991-06-01 It is a historical fact that the world situation has always been the indicator of the Lord's move on earth. Some have said that the Bible is a history of the Jews. This understanding, however, is not entirely correct. It is correct to say that the history in the Bible is centered around Israel, but the Bible is not just a history of the Jews. The Bible is a history of God's economy. Israel has been the center of the carrying out of God's economy on earth. God is not interested merely in the history of the Jews. His interest is in His economy, which is being carried out by Him on earth. The carrying out of His economy has much to do with the world situation.

Everything is change. And we all have to need to and get to change. And what's the very first thing Jesus tells everyone? Change. Greek: *metanoeite*. Mt 4:17. So what's the difference? What's so special about what Jesus says? Change is what everybody says. Discover how surprisingly hard it is for Christians and non-Christians alike to hear the gospel, even if shown the difference, and that this difference makes all the difference in the world.
