Pope, 1978-06-17      *Funding Philanthropy* Susan Ash, 2016 Funding Philanthropy investigates Dr Barnardo's practices as the leading Victorian figure in child rescue in London particularly focusing on devices associated with story telling and public spectacle that facilitated evoking emotional responses that would lead to active support from constituents across boundaries of age class or race      *The Age of Urban Democracy* Donald Read, 2014-06-17 This ambitious survey covers all aspects of the period in which English society acquired its modern shape industrial rather than agricultural urban rather than rural democratic in its institutions and middle class rather than aristocratic in the control of political power For this revised edition the footnotes and bibliography have been fully updated and the entire text has been reset in a larger and more attractive format An ideal introduction to the subject it masters a huge amount of material through its clear structure sensible judgements and approachable style      [The New Schaff-Herzog Encyclopedia of Religious Knowledge](#) Johann Jakob Herzog, Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1911      **Palestine** Albert M. Hyamson, 2022-06-01 First published in 1942 Palestine is a brief history of Zionism interspersed with a wealth of observation stimulation for the seeker of objective truth The author develops his own theories of Jewish racialism nationalism and colonization and elaborates on the role of Britain with respect to Zionism in Palestine He also expands on the binary of a spiritual Zionism and a territorial neo Zionism stating that former believed in peaceful coexistence with the Arab population in Palestine while the latter is only invested in aggressive nationalism The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this republication This book will be of interest to students of history political science international relations and geography

**For Zion's Sake** Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre

tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology The Earl of Shaftesbury John William Kirton,1890 *Free Churches and Society* Lesley Hesselbee,Paul Ballard,2012-07-05 Many of the key improvements to social conditions in the United Kingdom have been made by Christians Most of us would be able to think of such key Anglican figures as William Wilberforce Anthony Ashley Cooper Earl of Shaftesbury or Dr Thomas Barnardo but lesser known contributions were made behind the scenes by significant members of the Non Conformist Churches This book traces the Free Church contribution to society from 1800 to the present day It looks at the work of campaigners co operative societies philanthropists and politicians and traces the ways in which conditions in slums education and industry were improved including work with women and with black and ethnic minorities There is a growing interest in the part the churches can play today in community development and in the building of social capital This book will show that some of the things now seen as government initiatives had their origins in the work of Free Church pioneers *Shaftesbury Magazine* ,1924

**Evangelicalism in Modern Britain** David W. Bebbington,2003-09-02 This major textbook is a newly researched historical study of Evangelical religion in its British cultural setting from its inception in the time of John Wesley to charismatic renewal today The Church of England the Church of Scotland and the variety of Nonconformist denominations and sects in England Scotland and Wales are discussed but the book concentrates on the broad patterns of change affecting all the churches It shows the great impact of the Evangelical movement on nineteenth century Britain accounts for its resurgence since the Second World War and argues that developments in the ideas and attitudes of the movement were shaped most by changes in British culture The contemporary interest in the phenomenon of Fundamentalism especially in the United States makes the book especially timely **George Moore, Merchant and Philanthropist** Samuel Smiles,1878

**Present Day Tracts on Subjects of Christian Evidence, Doctrine, and Morals** Religious Tract Society (Great Britain),1883 **Richard Henry Dana** Charles Francis Adams,1890 **Scientific American** ,1885 **Littell's Living Age** Eliakim Littell,Robert S.
