Understanding Four Views on the Lord's Supper Zondervan, 2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord's Supper How frequently should we observe it What does this meal mean What happens when we eat the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the topic further such as A listing of statements on the Lord's Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord's Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Reconciliation in Remembrance of Jesus Christ Hacik Gazer, Markus Iff, Werner Klän, Dorothea Sattler, 2023-07-15 Since the Lima Declarations of Convergence in 1982 no other document in the international ecumenical movement has dealt with Eucharistic communion at the celebration of the Lord's Supper in remembrance of the Holy Sacrifice of Jesus Christ On the occasion of the 11th Assembly of the World Council of Churches in 2022 in Karlsruhe ecumenically minded Protestant Free Church Old Catholic Roman Catholic and Orthodox theologians from Germany have taken up this topic afresh They provide insights into the current state of ecumenical conversations present the various traditions of confessional worship and offer practical suggestions for an ecumenically sensitive liturgical practice The German Ecumenical Study Committee D STA contributes a joint statement on the subject Memories of the 3rd Ecumenical Kirchentag Church Congress 2021 in Frankfurt am Main are revived The decision to go to the Lord's Table together trusting in the presence of Jesus Christ in the celebration of Holy Communion Eucharist and Holy Sacrifice can be justified theologically but continues to raise controversy On the Sunday of the Assembly in Karlsruhe September 4 2022 a rich range of liturgies will commemorate the life of Jesus his death for us and the sending of God's Spirit Together all churches testify that The love of Christ moves reconciles and unites the world

The Eucharist as Offering of Firstfruits Lawrence Francis Ligocki, 2017-06-04 One of the difficulties for Protestant Evangelical Pentecostal and other Christians is how to understand the Eucharist as sacrifice offering and oblation A return to ancient Jewish and Christian sources has uncovered the category of the offering of firstfruits This is found in a lesser degree among Second Temple Judaism and to a greater degree in early Christian literature beginning with the New Testament itself This has brought renewed interest in understanding the Eucharist not only in the context of the Feast of Passover but also in light of the Feast of Pentecost and the offering of firstfruits and within the context of the Zebach t d that is the sacrifice of praise and thanksgiving This has strong implications for a theological liturgical spiritual and practical awakening in understanding the Eucharist as Sacrifice In the Eucharist the Church offers the firstfruits of creation Christ and also herself to the Father in the Holy Spirit Each member is called to actively participate in the Eucharistic sacrifice through which they themselves become a Holy and Living sacrifice for the life of the world This has implications for a renewed Eucharistic spirituality and worship the New Evangelization and new works of mercy

Like a Mighty Army David W Taylor, 2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be

visibly realized At that time The Salvation Army didn't aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing understanding of its identity and to the visible unity of God's church

Systematic Theology Louis Berkhof, 1949-01-01 Now that my Systematic Theology is again being reprinted the Preface can be very brief It is not necessary to say much about the nature of the work since it has been before the public for more than fifteen years and has been used extensively I have every reason to be grateful for its kind reception for the favorable testimony of many reviewers and for the fact that the book is now used as a textbook in many Theological Seminaries and Bible Schools in our country and that requests were even received from abroad for permission to translate it into other languages These are blessings which I had not anticipated and for which I am deeply grateful to God To Him be all the honor And if the work may continue to be a blessing in many sections of the Church of Jesus Christ it will but increase my recognition of the abundant grace of God

Renewal Theology John Rodman Williams, 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God
