Lorentz On Film Movies 1927 To 1941:

Lorentz on Film Pare Lorentz,1975 Marie Dressler Matthew Kennedy,1999 Early in the century Marie Dressler was hailed as one of America s finest comics with a 20 year string of Broadway and vaudeville successes including The Lady Slavey Miss Prinnt Higgleddy Piggledy The Man in the Moon and Tillie s Nightmare She starred with Charlie Chaplin in the first ever feature length comedy Tillie s Punctured Romance and later in Min and Bill for which she won an Academy Award A brilliant comedienne in body timing inflection and reactions her talents far exceeded the expectations of slapstick and her movies earned sums far greater than those of Garbo or Harlow or even Gable This work examines Dressler s life from vaudeville to talkies Based on extensive research and interviews with Dressler s surviving friends co stars and colleagues including Maureen O Sullivan Jackie Cooper and Anita Page it details her public and personal successes and failures A listing of her stage appearances vocal recordings and films is included **Movies 1927 to 1941** Pare Lorentz,1975 *The*

Conscience of Cinema Thomas Waugh,2025-10-01 This is the first book to survey the entire career of Joris Ivens a prolific documentary filmmaker who worked on every continent over the course of seven decades More than a biography of a leftist committed to changing the world through film *The Conscience of Cinema* is also a microcosmic history of the documentary and its form culture and place within twentieth century world cinema Ivens worked in almost every genre including the essay compilation hybrid dramatization socialist realism and more Whether in his native Netherlands the Soviet Union the United States Vietnam or beyond he left an indelible artistic and political mark that continues to resonate in the twenty first century

In Search of Cinema Bert Cardullo,2004 *In Search of Cinema* chronicles the vitality of international film art in the last two decades At a time when the movie review has degenerated into mere publicity for Hollywood pictures and film scholarship has become entangled in its own pseudo scientific discourse Bert Cardullo reclaims the territory of a certain type of film critic somewhere between a reviewer journalist and a scholar theorist With elegance clarity and rigour he offers close readings of individual films to show how moviemakers use the resources of the medium to pursue complex significant human goals The essays collected here reflect the spectacular rise of Iranian cinema in recent years as well as the strong contributions of contemporary filmmakers from countries such as Belgium Canada China Israel Lebanon Scotland and Spain But *In Search of Cinema* does not neglect the best recent films from major film producing nations like the United States France and Italy and includes retrospective pieces on the careers of Ingmar Bergman and Woody Allen as well as several essays on the interrelationship between film form or film genres and drama and the novel the two forms from which the cinema continues to draw a wealth of its material *Understanding Film* James R Russo,2021-01-12 This film analysis textbook contains sixteen essays on historically significant artistically superior films released between 1922 and 1982 Written for college high school and university students the essays cover central issues raised in todays cinema courses and provide students with practical models to help them improve their own writing and analytical skills This film casebook is

geographically diverse with eight countries represented Italy France the United States Russia Germany Great Britain Japan and India The essays sophisticated yet not overly technical or jargon heavy are perfect introductions to their respective films as well as important contributions to the field of film studies in general The books critical apparatus features credits images and bibliographies for all films discussed filmographies for the directors a glossary of film terms the elements of film analysis a chronology of film theory and criticism topics for writing and discussion a bibliography of film criticism and a comprehensive index

Understanding Film A Viewers Guide bucks the trend of current film analysis texts few of which contain actual film analyses by promoting analysis of the chosen films alongside the methods and techniques of film analysis It has been prepared as a primary text for courses in film analysis and a supplementary text for courses such as Introduction to Film or Film Appreciation History of Film or Survey of Cinema and Film Directors or Film Style and Imagination

Screen Writings: Partial views of a total art, classic to contemporary Bert Cardullo,2010 Screen Writings Genres Classics and Aesthetics offers close readings of genre films and acknowledged film classics in an attempt to explore both the aesthetics of genre and the definition of classic as well as the changing perception of so called classic movies over time

Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken,2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers Workers Leaving the Lumi re Factory 1885 to Michael Moore s Fahrenheit 911 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation

The Complete History of American Film Criticism Jerry Roberts,2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century s most significant art form

Adaptations Deborah Cartmell, Imelda Whelehan, 2013-06-17 Adaptations considers the theoretical and practical difficulties surrounding the translation of a text into film and the reverse process the novelisation of films Through three sets of case studies the contributors examine the key debates surrounding adaptations whether screen versions of literary classics can be faithful to the text if something as encapsulated as Jane Austen's irony can even be captured on film whether costume dramas always of their own time and do adaptations remake their parent text to reflect contemporary ideas and concerns Tracing the complex alterations which texts experience between different media Adaptations is a unique exploration of the relationship between text and film

"Better Living" William L. Bird, 1999 Better Living Advertising Media and the New Vocabulary of Business Leadership 1935-1955 is a history of how big business learned to be both entertaining and persuasive when talking to the public Examining the years from the Depression to postwar prosperity Better Living follows the dissemination of a politically competitive claim of more new and better in industry and in life Beginning with the changes in business government relations during the New Deal this study looks at the ways in which politically active corporations and their leaders learned how to speak at a time when speaking was not enough Using archival sources such as the NBC Ford Motor Company DuPont and Franklin Delano Roosevelt collections William L Bird Jr establishes the importance of industrial films and their role in public relations and employee relations as well as the use of dramatic radio productions in corporate

public relations The author examines the interplay between general mass radio and print advertising radio program sponsorship and scriptwriting sponsored motion pictures and television entertainment as well as exhibitions and industrial fairs and the role these media played in shaping ideas about American business and political and cultural institutions in this country for the decades to come Book Jacket
