Los Principes Nubios:

African Immigrants in Contemporary Spanish Texts Debra Faszer-McMahon, Victoria L. Ketz, 2016-03-09 Around the turn of 21st Century Spain welcomed more than six million foreigners many of them from various parts of the African continent How African immigrants represent themselves and are represented in contemporary Spanish texts is the subject of this interdisciplinary collection Analyzing blogs films translations and literary works by contemporary authors including Donato Ndongo Equatorial Guinea Abderrahman El Fathi Morocco Chus Guti rrez Spain Juan Bonilla Spain and Bahia Mahmud Awah Western Sahara the contributors interrogate how Spanish cultural texts represent idealize or sympathize with the plight of immigrants as well as the ways in which immigrants themselves represent Spain and Spanish culture At the same time these works shed light on issues related to Spain s racial ethnic and sexual boundaries the appeal of images of Africa in the contemporary marketplace and the role of Spain s economic crisis in shaping attitudes towards immigration Taken together the essays are a convincing reminder that cultural texts provide a mirror into the perceptions of a society during times of change Los principes nubios Juan Bonilla, 2003 The Nubian Prince Juan Bonilla, 2007-06-12 A cutting comic odyssey of a hapless hero ensnared by globalization humanitarian aid and the international sex trade from an award winning young Spanish writer To save lives and get handsomely paid for it what job could be more rewarding Moises Froissard has found the career opportunity of his dreams After a start as a conventional bleeding heart with an idealistic aid group he quickly wises up to the harsh reality of a world in which human life is just another product in a competitive marketplace Now he travels the globe on the trail of illegal immigrants refugees and other ordinary souls brought low by war natural disaster or economic collapse Scouting the slums and gutters of the world Moises s task is to unearth nature s most beautiful men women and children and save them for Club Olympus a top price international sex club Then Moises receives his toughest assignment yet to find a Nubian prince an African illegal caught fleetingly in the pages of a glossy magazine The man is so painfully desirable that Club Olympus will sacrifice anything to have him even Moises himself Our narrator begins the chase dazed prevaricating self obsessed funny a little cruel a little sentimental The Nubian Prince takes place in a pitiless world where the have nots will do anything to become haves while the privileged don t know what to live for Hilarious moving sexually explosive and deeply disturbing this bestselling Spanish novel introduces a new European star

Andalucia John Gill, 2008-12-09 A garden at the foot of Europe and a crossroads between Spain Africa and the New World Andalucia has been a cultural customs house on the border of the Mediterranean and Atlantic civilizations for more than ten thousand years This book traces its origins from the earliest hominid settlers in the Granada mountains 1.8 million years ago through successive Phoenician Greek Roman and Muslim cultures and the past five hundred years of modern Castilian rule up to and including the present day of post modern novelists in Cordoba and Sevilla guerrilla urban archaeologists in Torremolinos and Marbella and underground lo fi bands in Granada and Malaga **Emigrant Dreams,**

Immigrant Borders Raquel Vega-Durán, 2016-09-30 *Emigrant Dreams Immigrant Borders Migrants Transnational Encounters and Identity in Spain* offers a new approach to the cultural history of contemporary Spain examining the ways in which Spain's own self-conceptions are changing and multiplying in response to migrants from Latin America and Africa. In the last twenty-five years, Spain has gone from being a country of net emigration to one in which immigrants make up nearly 12 percent of the population. This rapid growth has made migrants increasingly visible in both mass media and in Spanish visual and literary culture. This book examines the origins of media discourses on immigration and takes the analysis of contemporary Spanish culture as its primary framework while also drawing insights from sociology and history. *Emigrant Dreams Immigrant Borders* introduces readers to a wide range of recent films, journals, novels, photography, paintings, and music to reconsider contemporary Spain through its varied encounters with migrants. It follows the stages of the migrant's own journey beginning outside Spanish territory, continuing across the border either at the barbed wire fences of Ceuta and Melilla or the waters of the Atlantic or the Strait of Gibraltar, and then considers what happens to migrants after they arrive and settle in Spain. Each chapter analyzes one of these stages in order to illustrate the complexity of contemporary Spanish identity. This examination of Spanish culture shows how Spain is evolving into a new space of imagination, one that can no longer be defined without the migrant, a space in which there is no unified identity but rather a new self-understanding is being born. Vega-Durán both places Spain in a larger European context and draws attention to some of the features that from a comparative perspective make the Spanish case interesting and often unique. She argues that Spain cannot be understood today outside the Transatlantic and Mediterranean spaces, both real and imaginary, where Spaniards and migrants meet. *Emigrant Dreams Immigrant Borders* offers a timely study of present-day Spain and makes an original contribution to the vibrant debates about multiculturalism and nation formation that are taking place.

Itinerarios narrativos de la inmigración actual en España Maja Zovko, 2019-07-17 La inmigración hacia España a partir de la década de los noventa del siglo pasado ha trascendido al discurso literario con nuevos argumentos y voces. El presente volumen se propone exponer una investigación acerca de las principales tendencias en la narrativa actual sobre el fenómeno inmigratorio así como un análisis de sus rasgos más específicos. El corpus estudiado incluye tanto la producción de autores españoles como la de nacidos en otros países pero afincados en España. Los diversos ejes temáticos que componen este libro abarcan las indagaciones sobre la influencia de los medios de comunicación en los textos que retratan la inmigración, la novelización de los viajes, en particular la imagen del inmigrante, sus experiencias y percepciones de la sociedad de acogida. El universo recreado del que emprende el camino migratorio se perfila con referencias a su pluralidad cultural, lingüística, religiosa y gastronómica, y con evocaciones de los mitos ancestrales que junto con los estereotipos reproducidos y las complejidades identitarias son sometidos a reflexión. Paralelamente, este estudio aspira a identificar las estrategias narrativas y los símbolos empleados en estas publicaciones y a
