Los Angeles Dodgers Media Guide 1986:

The Los Angeles Dodgers Encyclopedia Richard J. Shmelter, 2017-12-04 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included The Dodgers Encyclopedia William McNeil, 2000-09-25 The Dodgers Encyclopedia is the definitive book on Los Angeles and Brooklyn Dodgers baseball It traces the history of one of Major League Baseball s most successful organizations from the misty beginnings of its predecessors in rural Brooklyn more than 140 years ago through their formative years in the major leagues as a member of the American Association from 1884 through 1889 to a full fledged representative of the National League since 1890 It covers the exciting and often zany years in Brooklyn through 1957 as well as a long and successful sojourn in Southern California during the last half of the 20th century **Major League Baseball Players of the 1970s** Bill Ballew, 2023-08-02 In the 1970s after a decade of stagnant fan interest that seemed to signal the demise of Major League Baseball the game saw growth and change In 1972 the players became the first in professional sports to go on strike Four years later contractual changes allowed those with six years in the majors to become free agents leading to an unprecedented increase in salaries Developments in the play of the game included new ballparks with faster fields and artificial turf and the introduction of the designated hitter in 1973 Eminent personalities emerged from the dugout including many African Americans and Latinos Focusing on the stars who debuted from 1970 through 1979 this book covers the highs and lows of more than 1 300 players who gave fans the most exciting decade baseball has ever seen **The Giants and the Dodgers** Andrew Goldblatt, 2015-10-05 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game s oldest and most storied rivalry today It s remarkable how often both teams have been good how rarely they ve both been bad and how tenaciously the underdog has battled in between Through 12 decades and in two sets of cities 3 000 miles apart Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War conflicting loyalties have divided neighbors and even families This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California s world class cities All the greats are here Ward Ebbets McGraw Mathewson Terry Durocher Reese Robinson Mays Koufax Drysdale Marichal Lasorda Bonds The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California The author argues compellingly that contrary to popular wisdom the rivalry s best years came after the move Miracle in Chavez Ravine William F. McNeil, 2008-06-25 After winning the 1981 World Series and raising the expectations of management and fans the Los Angeles Dodgers followed up with six years of disappointing finishes By the

time they ended the 1987 season 17 games behind the hated Giants general manager Fred Claire had seen enough Over the winter Claire radically restructured the team bringing in fiery players like outfielder Kirk Gibson closer Jay Howell and shortstop Alfredo Griffin to spark the team out of complacency Led by Gibson and pitcher Orel Hershiser the upstart Dodgers outlasted Houston in a race for the NL West title and edged a star studded Mets team in the league championship series But their best most dramatic moments came in the World Series when the Dodgers shocked everyone by bashing the A s of McGwire and Canseco in five games In the first book length history of the 1988 Dodgers author Bill McNeil covers the story from all angles

Remembering the Stick Steven Travers, 2017-05-02 Described by famed baseball scribe Roger Angell as looking like a festive prison yard during the 1962 World Series Candlestick was loved and hated by sports teams and fans alike for its 43 years of existence Built on a landfill above a garbage dump in a city rocked by an 8 6 earthquake only 54 years earlier it was notorious for the tornadic winds that came off the bay probably costing Willie Mays at least 100 career home runs The fogs that rolled in looked like something God sent to pass over His Chosen people And of course there was the famous 1989 World Series earthquake that postponed the opening game for 10 days But it was also home to the greatest run of sustained excellence in pro football history the 1981 1994 49ers as well as the exploits of baseball stars such as Mays and Juan Marichal

Illinois Football Media Guide ,1996

Malloy's Sports Collectibles Value Guide Roderick A. Malloy, 1993 This book provides a comprehensive price listing of non card sports collectibles available A wide range of sports are represented including motor racing baseball golf hockey horse racing the Olympics soccer tennis and wrestling There are 15 categories of collectibles ranging from autographs to toys for each sport

Mallparks Michael T. Friedman, 2023-07-15 In Mallparks Michael T Friedman observes that as cathedrals represented power relations in medieval towns and skyscrapers epitomized those within industrial cities sports stadiums exemplify urban American consumption at the turn of the twenty first century Grounded in Henri Lefebvre and George Ritzer s spatial theories in their analyses of consumption spaces Mallparks examines how the designers of this generation of baseball stadiums follow the principles of theme park and shopping mall design to create highly effective and efficient consumption sites In his exploration of these contemporary cathedrals of sport and consumption Friedman discusses the history of stadium design the amenities and aesthetics of stadium spaces and the intentions and conceptions of architects team officials and civic leaders He grounds his analysis in case studies of Oriole Park at Camden Yards in Baltimore Fenway Park in Boston Dodger Stadium in Los Angeles Nationals Park in Washington DC Target Field in Minneapolis and Truist Park in Atlanta
