Vernon Los mares del Sur Manuel Vázquez Montalbán, 1979 , **La novela en España (siglos XIX-XX)** Paul Aubert, Casa de Velázquez, 2001 La reflexión en torno

a la novela y al discurso crítico que suscita hace hincapi en las condiciones socioculturales del nacimiento y de la evolución de este género así como en el papel de la escritura en el estatuto del narrador y finalmente del lector. En este proceso tiene su importancia el influjo de otros géneros y de otros medios: el período postromántico se nutre de la historia; la recepción de varias corrientes filosóficas explica los alegatos a favor de la subjetividad; a principios del siglo XX el cine alimenta la novela de vanguardia hasta que la literatura reciente se fundamenta en una literatura cuyo contenido cada uno procura remojar en el agua nueva de su propia sensibilidad. No se trata por consiguiente de analizar exclusivamente algunas trayectorias individuales sino de abordar desde múltiples enfoques los cambios de perspectiva. Así se iluminan las grandes rupturas iniciadas a la vez por la voluntad de estilo, el deseo de aventura, el placer de contar o el juego de los puntos de vista con el fin de estructurar lo imaginario, cambiar lo real o más modestamente educar al lector. Hacen oscilar el género novelesco entre documento reflexivo y ficción entrecruzando relato objetivo, emergencia del sujeto, experimentalismo, autonegación del narrador, parodia, vuelta al relato e interpelación del lector culto como si la existencia del mundo dependiera de ahora en adelante de sus relatores.

Inventario, Serie Real Aduana Peru. Dirección de Archivo Colonial, 1984 **Atlántida**, 1929 **Hispanic and Luso-Brazilian Detective Fiction** Renée W. Craig-Odders, Jacky Collins, Glen S. Close, 2006-03-20 The image of the hard-boiled private investigator from gritty pulp fiction, a terse and mysterious figure, has become increasingly universal as the detective novel crosses more and more borders. A booming genre in Latin America, Spain and other Hispanic cultures, detective fiction has transcended the limitations of its influences. Hispanic authors, relatively new to the genre, have published novels and series popular with the public while a number of well-known writers have adapted the genre to reflect the concurrent globalization of modern society and the crimes within it. This volume presents a compilation of 11 critical essays on contemporary detective fiction in the Hispanic and Luso-Brazilian canon. Surveying the last twenty years, the text analyzes emerging trends in this rapidly evolving genre as well as the mutations and innovations taking place within the style. The first section of the book is dedicated to the detective fiction of Spain and Portugal. The second section surveys works from Latin America and the United States where topics touch on universal subjects like crime, identity and feminism.

International Crime Fiction is one of the relatively few books to date which adopts a comparative approach to the study of the genre This collection of twenty essays by international scholars examining crime fiction production from over a dozen countries confirms that a comparative approach can both shed light on processes of adaptation and appropriation of the genre within specific national regional or local contexts and also uncover similarities between the works of authors from very different areas Contributors explore discourse concerning national and historical memory language race ethnicity culture and gender and examine how identity is affirmed and challenged in the crime genre today They reveal a growing tendency towards hybridization and postmodern experimentation and increasing engagement with philosophical enquiry into the epistemological dimensions of investigation Throughout the notion of stable identities is subject to scrutiny While each essay in itself is a valuable addition to existing criticism on the genre all the chapters mutually inform and complement each other in fascinating and often unexpected ways This volume makes an important contribution to the growing field of crime fiction studies and to ongoing debates on questions of identity It will therefore be of special interest to students and scholars of the crime genre identity studies and comparative literature It will also appeal to all who enjoy reading contemporary crime fiction *Los estudios ingleses en el umbral del tercer milenio* Francisco Fernández,2001 *La contrarrevoluci n*
