Spanish in your résumé will certainly confer definite advantages over those who are monolingual. If you have plans of travelling to Spanish speaking regions the ability to understand and speak the language will make your trip a truly enriching experience. If this is your first time to learn a Romance language you can use this knowledge to easily learn other related languages. The book *Spanish for Beginners* is designed to help you learn Spanish and bridge the communication gap in as fast as one week. It is written with the self learner in mind and organized to help its readers understand and speak the language confidently within a short span of time. This learning material will prove that by identifying the most important features of a language and by applying proven techniques and strategies to language learning anyone can master the basics of the language and use this knowledge base to start speaking confidently and properly in Spanish in as little as seven days. Learning a language permanently requires mastery of its fundamentals. This book highlights the important features of the Spanish language in the areas of grammar, pronunciation, syllabication, sentence formation and communication. **A Spanish Grammar...** Hipólito San José Giral del Pino, 1800 **A Spanish Grammar** Alfred Coester, 1912 *Bilingual Grammar of English-Spanish Syntax* Sam Hill, William Bradford, 2000. This comparative analysis of the interlingual differences between English and Spanish allows instructors to comprehend and analyze the linguistic behaviors of their students and thereby help them achieve bilingualism. Intended for advanced upper division and graduate students intending to teach Spanish to English speakers, English to Spanish speakers and translators of both languages. Plastic comb binding.
