creating a healthy lifestyle rather than a temporary diet *How to Lose Weight and Keep It Off* Joseph Proietto, 2025-02-21

The book starts with a detailed description of the optimal way to lose weight and information on how to keep it off. However, you are strongly advised to read the subsequent chapters as referenced in Chapter 1. The author has noted that his patients find it both helpful and liberating to have an understanding of the regulation of body weight, the causes of obesity, the health problems that obesity causes, and the biological mechanisms that make it difficult to maintain weight loss. All of the information provided in this book is backed by published scientific evidence. References are provided at the end of the book that can be freely accessed through searchable medical databases such as PubMed or Google Scholar. For the lay reader, much of what is written in scientific articles may be overly technical; however, many can be helped in the interpretation and meaning of the information by their family doctor who will play a key role in their weight loss journey. **Love Yourself &**

Lose Weight: The Success Story of Self Love Katie Lips, 2022-01-21. This isn't just another weight loss book; it's so much more. Online Book Club. An easy-to-read book with a unique approach to weight loss. Reedsy. This book will help you to harness the power of self love, change your relationship with food and exercise, achieve your weight loss goals, and fall in love with you. Yes, self love can help you lose weight; it helped me lose over 85 pounds. I share my story to help others learn to love themselves more, overcome weight issues, and get the body they desire and deserve. WHO THIS BOOK IS FOR: Diets not working for you. Not loving the gym. Feeling fed up with being overweight. This book is for anyone who wants to make a change in their lives. WHY DIETS ALONE DON'T WORK: There's a reason restrictive diets and strict exercise regimes don't work. Technically, any regime will work if you can stick at it, but sticking at it is hard. Hey, even starting is hard, right? To make a big change, we need to change our mindset first. THIS IS A REVOLUTIONARY NEW WEIGHTLOSS METHOD. Instead of starting diets or exercise regimes and trying or hoping for the best, it's time for a new weightloss method. To do what's necessary to shift the weight via any diet or exercise regime, first you have to fix your relationship with you. Love Yourself. Lose Weight offers a revolutionary and visionary approach to weightloss that's not about the food you eat or the calories you burn; no, it's simply all about you. If you don't accept like and love yourself, you're missing a key ingredient to any weightloss regime; you're missing what you need to make the change. Without self love, the chances are stacked against you, and it's more likely that whatever you try will fail. SELF LOVE IS THE KEY. What if learning to absolutely love yourself could be the key? With self love on my side, I lost over 85 pounds forever. I'm sharing my secrets of self love to help you lose weight too. If I can do it, anyone can. THIS IS A TRANSFORMATIONAL STORY. This is the success story of self love. Katie shares her personal, funny, and inspirational story of how she found and harnessed self love to achieve massive and permanent weight loss. At the age of 38, with a new born baby, Katie was fed up, literally. Years of telling herself she was fine, that the weight gain didn't matter, that she didn't matter, had taken their toll, and she was over 85 pounds overweight.
