Climbing the Ranks 3 Tao Wong,2025-09-01

Nothing beginner in this challenge

For Arthur climbing the beginner

Tower of Malaysia was a way out a chance to escape the grinding poverty of a future with no jobs It s a chance to make something of himself Then he received a Clan seal became a leader by accident and most importantly became responsible for others Now he s finding his footing cutting deals and making promises fending off tongs triads and deep rooted power players What he isn t expecting is that his designation as a Clan Head means something to the Tower too All his research all his planning is going to go out the window as he faces the final challenge One made all the more difficult by his new role

Good news though if he survives there s a lot to be gained If he survives *Climbing the Ranks* is an epic fantasy series set in a tower similar to the Tower of Gods and Solo Leveling

Written by bestselling author Tao Wong his other series include the System Apocalypse A Thousand Li the Hidden Universe and Adventures on Brad series

The Whisperer Leah Rhoades,2022-10-06

Four irresistible men with a dark secret One bewitching woman who doesn t know her own power Avery senses the connection with Taylor then with Brandon but the terrifying way she s drawn to them has her on the run and both men chasing her down for separate purposes She s a threat to their kind wereleopards and she has to be stopped But her beauty and enchantment test both of them push the limits of their determination to remain free of her control especially when she appears to harbor no malicious intent Lucas only wants to stay away Shaw however has no qualms about destroying her and the division in the pack could turn out just as fatal as succumbing to the likes of a Whisperer s ancient

evil total control Warring internally with hatred and lust all four men and a woman thrust in the middle of jealousy and bitter rivalry have tough decisions to make and every choice comes with dire consequences Even Avery doesn't know if her power is better off destroyed or used to keep the close knit pack intact *The Collected Poems of Muriel Rukeyser* Janet E.

Kaufman, Anne F. Herzog, Jan Heller Levi, 2005-05-22 Muriel Rukeyser held a visionary belief in the human capacity to create social change through language She earned an international reputation as a powerful voice against enforced silences of all kind against the violence of war poverty and racism Her eloquent poetry of witness of the Scottsboro Nine the Spanish Civil War the poisoning of the Gauley Bridge laborers split the darkness covering a shameful world In addition to the complete texts of her twelve previously published books this volume also features new poems discovered by the editors Rukeyser's translations including the first English translations of Octavio Paz's work early work by Rukeyser not previously published in book form and the controversial book length poem Wake Island An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems *Entangled* Graham

Hancock, 2010-10-19 A solid fast moving metaphysical time travel tale Library Journal Graham Hancock has spent decades researching and writing some of the most ambitious and successful nonfiction investigations into ancient civilizations and wisdom Entangled uses all of Hancock's skills and knowledge to propel a fantasy adventure like nothing else preceding it Entangled is a timeslip novel alternating between present day California Brazil and prehistoric Spain with two teenage female protagonists who must come together to avert an incredibly bloodthirsty takeover of the human race It is the story of an unrelentingly evil master magician named Sulpa who is on the loose and determined to destroy humanity Leoni a troubled teen from modern day Los Angeles and Ria a young woman who lives in Stone Age Spain meet in a parallel dimension outside the flow of time to stop Sulpa's spectacular deadly materialization of the modern world Originally written as the first of a trilogy that never came to be Entangled can be enjoyed by fans of parallel dimensions and imaginary worlds and will have resonate with readers of Philip Pullman Stephen King Neil Gaiman and Kate Mosse among others Entangled has the added merit of being grounded in solid anthropological and scientific research Hancock calls on his years of research into cutting edge issues including the Neanderthal Enigma the nature of consciousness the many worlds interpretation of quantum physics parallel realms time travel and near death and out of body experiences **Style and Story** Stephen J.

Pyne, 2018-10-02 There are two basic rules for writing nonfiction says historian and award winning author Stephen J Pyne Rule 1 You can't make stuff up Rule 2 You can't leave out known stuff that affects our understanding Follow these rules and you are writing nonfiction Writing for different audiences and genres will require further guidelines But all readers expect that style and story or more broadly theme will complement one another Style and Story is for those who wish to craft nonfiction texts that do more than simply relay facts and arguments Pyne explains how writers can employ literary tools and strategies to have art and craft add value to their theme With advice gleaned from nearly a dozen years of teaching writing to

graduate students Pyne offers pragmatic guidance on how to create powerful nonfiction whether for an academic or popular audience Each chapter offers samples that span genres showcasing the best kinds of nonfiction writing Pyne analyzes these examples that will help writers understand how they can improve their nonfiction through their choice of voice words structure metaphors and narrative Pyne builds on his previous guide *Voice and Vision* expanding the range of topics to include openings and closings humor and satire historical writing setting scenes writing about technical matters and deep details long and short narration reading for craft and thoughts on writing generally He also includes in this volume a set of exercises to practice writing techniques *Style and Story* will be treasured by anyone whether novice or expert who seeks guidance to improve the power of their nonfiction writing
