[American Mojo: Lost and Found](#) Peter D. Kiernan, 2015-06-09 In *American Mojo Lost and Found* Peter D Kiernan award winning author of New York Times bestseller *Becoming China's Bitch* focuses on America's greatest challenge and opportunity restoring the middle class to its full promise and potential Our educated skilled and motivated middle class was the cornerstone of America's postwar economic might but the country's dynamic core has struggled and changed dramatically through the last three decades Kiernan's extensively researched story told through individual histories shows how the middle class flourished under unique circumstances following World War II and details how our middle class has been rocked and shaped by events abroad as much as at home By excluding too many Americans the middle class we reverently recall was fractured from the beginning What emerges through his storytelling is a picture of middle class decline and opportunity that is fuller more moving and profound and ultimately more useful in terms of charting a path forward than other examinations His unique global perspective is a vital ingredient in charting the way ahead This new frontier thesis shows that middle class greatness is again within our grasp if we take some powerful medicine and seize the global opportunity America possesses the skills and talent the world needs Americans must embrace what brought our middle class to prominence in the first place our American Mojo before it is too late and other countries steal the march All that is at stake is the soul of our nation **Lost and Found** Aušra Paulauskienė, 2007 Ausra Paulauskiene's book *Lost and Found* The

Discovery of Lithuania in American Fiction targets American as well as European scholars in the fields of literature ethnic studies and immigration The author discovers obscure texts on Lithuania and alerts Western and Eastern academia to their significance as well as the reasons for their neglect For the first time Abraham Cahan s autobiography *The Education of Abraham Cahan* and Ezra Brudno s autobiographical novel *The Fugitive* receive an extensive coverage while Goldie Stone s *My Caravan of Years* and Margaret Seebach s *That Man Donaleitis* sic receive their first scholarly consideration ever The author argues that misrepresentations misattributions and exclusions of Lithuanian legacy in the U S were produced by major political events of the twentieth century

Lost and Found in Translation Martha J. Cutter, 2006-05-18 Starting with Salman Rushdie s assertion that even though something is always lost in translation something can always be gained Martha Cutter examines the trope of translation in twenty English language novels and autobiographies by contemporary ethnic American writers She argues that these works advocate a politics of language diversity a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States Cutter studies works by Asian American Native American African American and Mexican American authors She argues that translation between cultures languages and dialects creates a new language that in its diversity constitutes the true heritage of the United States Through the metaphor of translation Cutter demonstrates writers such as Maxine Hong Kingston Sherman Alexie Toni Morrison and Richard Rodriguez establish a place within American society for the many languages spoken by multiethnic and multicultural individuals Cutter concludes with an analysis of contemporary debates over language policy such as English only legislation the recognition of Ebonics and the growing acceptance of bilingualism The focus on translation by so many multiethnic writers she contends offers hope in our postmodern culture for a new condition in which creatively fused languages renovate the communications of the dominant society and create new kinds of identity for multicultural individuals
