

The background of the cover is an abstract composition. It features a central, somewhat rectangular area with a textured, painterly appearance in shades of green, yellow, and orange, which resembles a chameleon's skin. This central area is framed by dark, angular, geometric shapes in shades of brown and black, creating a sense of depth and architectural structure.

King Chameleon and more West African Folktales is a selection of folklore believed to have originated from West Africa and the people who live in the region. West Africa is home to several scores of tribes, languages and dialects. Even though tribal cords are quite strong and languages may differ markedly even between two communities a few hundred miles apart, it is usual to find similarities between the local folktales and in some cases only the names of the central characters would make one version of a tale to be different from another. Most of the stories in this volume were gleaned from areas within the countries now known as Ghana and Togo. However, the stories are commonly retold in several forms all over the West Africa region.

**Father Luigi's Chameleon** Tara Isabella Burton, 2003-04-01. The priests were faithless, the damned were blessed, the ironies were many and the comforts were few. The brides were reluctant, the rejected were loved, the idols were demons and the pitied were strong. Father Luigi's Chameleon, Tara Burton's remarkable first novel, follows six characters as they face internal struggles during one fateful summer in Italy. The novel, in which this extraordinary eleven-year-old writer explores questions of ethics, values and the nature of love as well as her unique view of God and the afterlife, was inspired by the often conflicting philosophies of life she observed growing up in Rome, Paris and New York. Although written by a child, it is not a children's book. Father Luigi's Chameleon is the story of six friends all living in Rome in the summer of 2002 who retreat to a small island off the coast of Naples in order to come to terms with their own personal demons that are preventing them from achieving happiness. At the root of this watching over them is Father Luigi's pet chameleon, Monsieur Amore, who turns out to be more than just a simple reptile in this captivating and thought-provoking modern parable. **Finding List of English and French Prose Fiction** Detroit Public Library, 1905 [Mr. Keen, Tracer](#)

This one-stop cross-cultural selective guide to recent retellings of myths and hero tales for children and young adults will enable teachers and library media specialists to select comparative myths and tales from various, mostly non-European cultures. The focus is on stories from Native America, Asia, Africa, the Middle East, Central and South America, and Oceania. The Guide contains extensively annotated entries on 189 books of retellings of myths and hero tales, both ancient and modern, from around the world published between 1985 and 1996. Represented are 1,455 stories suitable for use with young people from mid-elementary through high school. The entries, arranged alphabetically by writer, contain complete bibliographic data, age and grade levels, and evaluative annotations. Seven indexes: title, author, illustrator, culture, story type, name, and grade level, make searching easy. The story type index will enable teachers to select comparative myths and tales from different cultures on more than 50 types of myths and hero tales. Among the many myth types cited are origin of human beings and the world, comparative social customs and rituals, natural and heavenly phenomena, animal appearance and behavior, searches and quests, and tricksters. Among the hero tale types are fools and buffoons, kings and queens, warriors, monster slayers, important female figures, magicians, voyagers and adventurers, and spiritual leaders. The Guide concludes with a bibliography of retellings published earlier that have come to be considered standard works.
