Lost Horizon The Worlds Best Reading

Brendan G. Carr

Lost Horizon The Worlds Best Reading:

Lost Horizon James Hilton, 2021-01-01 Lost Horizon is a 1933 novel by English writer James Hilton. It is best remembered as the origin of Shangri-La, a fictional utopian lamasery high in the mountains of Tibet. While attempting to escape a civil war, four people are kidnapped and transported to the Tibetan mountains. After their plane crashes, they are found by a mysterious Chinese man. He leads them to a monastery hidden in the valley of the blue moon, a land of mystery and matchless beauty where life is lived in tranquil wonder beyond the grasp of a doomed world.

LOST HORIZON - The Legend of Shangri-La James Hilton, 2024-01-11 James Hilton's Lost Horizon intricately weaves a narrative that blends adventure, philosophy, and a touch of the mystical. Set against the backdrop of the tumultuous geopolitical landscape of the 1930s, the story follows Hugh Conway, a weary British diplomat who stumbles upon the enigmatic utopia of Shangri-La while escaping the chaos of the modern world. Hilton's lyrical prose invites readers to ponder the themes of isolation, enlightenment, and the pursuit of happiness, all while challenging the conventions of society and civilization. This novel, celebrated for its dreamy aesthetic and profound reflections, stands as an iconic work in the genre of philosophical fiction, a timeless exploration of humanity's quest for harmony amidst unrest.

James Hilton, an English novelist and screenwriter, found inspiration for Lost Horizon in the travels and philosophical ideas of the early 20th century, infused with his own fascination for exploring human nature and existentialism. His experiences during the interwar period, coupled with the growing disillusionment of society, shaped the idyllic yet poignant portrayal of Shangri-La, serving as both a refuge and a critique of modernity. This novel is recommended for readers seeking a thought-provoking journey into a forgotten world that offers solace and wisdom. Hilton's exploration of a mythical paradise serves as a mirror reflecting our own struggles for meaning and peace. As you delve into the enchanting world of Shangri-La, you will find not just an escape but also a deeper understanding of the human condition and our incessant longing for a sanctuary.

A Teacher's Tale Joe Gilliland, 2015-03-05 It was never in author Joe Gilliland's plan to become a teacher, certainly not a college teacher and most certainly not an English teacher. But that's what happened, and he's never looked back. In *A Teacher's Tale*, he explains how, by neither planning for nor seeking a life of learning and teaching, lacking a syllabus or lesson plan, he discovered that a life in academe lay in his path. The path he's followed for more than fifty years. *A Teacher's Tale* begins in 1932 with Gilliland's first experiences in schooling and concludes in the summer of 1955, just as he completes his apprenticeship and stands on the brink of becoming a qualified instructor in a small college in east Texas. This memoir presents a collection of stories about his experiences as a teacher and a college student, a story of schooling deeply immersed in the arts and humanities. *A Teacher's Tale* shares Gilliland's love of the university and how it compelled him to seek a life devoted to teaching, primarily in the community college arena. Through this narrative, he brings together a philosophy of higher education based on the importance of arts and humanities in today's high-tech world.
