**Myths and Legends of the Medieval World** Paul Watts, 2025-02-05 No one can deny the enduring power of medieval myths and legends. Tales of King Arthur, Merlin, Robin Hood, Sir Lancelot, magic dragons, giants, demons, and the Holy Grail are as fascinating for us today as they have ever been. However, the stories we have inherited from our medieval forebears have often been transformed by the embellishments and additions of later generations. In every century since the Middle Ages, stories have been reimagined, retold, and sometimes radically changed to suit the audience of the day. This book aims to transport the reader back to the age of the Plantagenets and retell these stories as they would have been understood at the time. It explores the stories in detail and looks at what they meant to people living then, how they were told, and why they were important. Myths and Legends of the Medieval World provides a detailed account of medieval mythology in its original context. It offers a window into a medieval mind set in which such things as angels, demons, visions, magic, holy relics, and other supernatural entities were an accepted reality. Explore some of the most puzzling and captivating mysteries of the Middle Ages. What lay behind the legend of the Holy Grail? How did people regard the perilous world of the medieval fairy? How did the medieval world view witchcraft? And

what happened during the infamous trial of the Templars These are all questions that Myths and Legends of the Medieval World sets out to answer      **Silver May Tarnish** Andre Norton,Lyn McConchie,2006-10-31 An exciting magical new novel of Andre Norton s fabulous Witch World      Dragon Mage Andre Norton,Jean Rabe,2013-05-14 Shy realizes that she is lucky to be taken in by her grandparents after her father dies but life above an antique store in Slade s Corners Wisconsin is not exactly the place a teenage girl wants to be One day while going through boxes of her father s boyhood stuff she comes upon a rare old set of dragon puzzles all of which are missing pieces Her grandmother recalls the fantastic tales Shy s father would tell about his travels to lands of dragons and adventure She always thought that these fantasies were inspired by the puzzles Shy has found Shy realizes that by mixing and matching the different sets she can complete a single dragon puzzle that combines all of the others Upon doing so she is whisked away to ancient Babylon where she must continue the duties of her father s legacy as a servant to the dragon and a savior of the world At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **Talking Book Topics** ,2009      *The Encyclopedia of Fantasy* John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art      **Lost Lands of OZ** Dr. Janet Kelly,2013-07 About the Book Imagine wicked forces in the Lost Lands of Oz trying to take control of the magical kingdom by capturing the Rain King It s a race against time as Princess Ozma Ruler of the Land enlists the help of three young detectives and one kid sister to find the Rain King before it s too late and the lush green Land of Oz shrivels into a barren wasteland The mystery began when Princess Ozma and the Rain King were examining the life scrolls Ozma had created she called the scrolls her best work because each scroll housed a life secret that could only be unlocked by the hand of a child Even Ozma herself couldn t undo her own magic But something happened during this special meeting between the two friends the Princess fell into a deep sleep and when she awoke the Rain King had disappeared and the life scrolls had turned to solid gold bricks closed and locked hinting that evil had been in the room Yet the bricks were sprinkled with the Rain King s rainbow signature How could this be Ozma knew something terrible had happened to him but what She couldn t open the scrolls and she feared the worst Her only hope was to call in children detectives from a place faraway called Texas Nonbelievers the boys were until they reached the Land of Oz and met those who inhabited the Land So with help from the Princess herself the three boys one kid sister and Professor Wogglebug a magnified Bug of the highest order set out on their mission To search the Land of Oz retrieve the missing Rain King and open the secrets of the life scrolls The dangers are everywhere not imagined time is critical not imagined the characters are real not imagined WARNING Imagination required not imagined      *The Witch's Boy* Kelly Barnhill,2015-09-15 This spellbinding fantasy begs for a cozy chair and several hours of uninterrupted reading time The Washington Post When Ned and his identical twin brother tumble from their raft into a raging river only Ned survives Villagers are convinced the wrong boy lived Across the forest that borders Ned s village ine the daughter of the Bandit King
