

# **Lost Love**

**Tell me young man  
Why are you so numb?  
You don't care if I die  
Yet you tell me I'm dumb**

**My heart is shouting at your ear  
You're so deaf that you can't hear  
Now I'm paralyzed with fear  
'Coz all things are so unclear**

**Why did you leave me for her?  
Though she can't love you truly  
Please come back my long lost love  
And I'll cherish you dearly**

**Tonight if you're not back  
I'll just cut my wrist and die  
My heart will be as hard as rock  
And I'll keep these feelings in a lie**

**The Oxford Handbook of Contemporary British and Irish Poetry** Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly

knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors' enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

*American and British Poetry* Harriet Semmes Alexander, 1984      *Contemporary Irish Poetry and the Pastoral Tradition* Donna L. Potts, 2012-01-01 In *Contemporary Irish Poetry and the Pastoral Tradition* Donna L. Potts closely examines the pastoral genre in the work of six Irish poets writing today Through the exploration of the poets and their works she reveals the wide range of purposes that pastoral has served in both Northern Ireland and the Republic a postcolonial critique of British imperialism a response to modernity industrialization and globalization a way of uncovering political and social repercussions of gendered representations of Ireland and more recently a means for conveying environmentalism's more complex understanding of the value of nature Potts traces the pastoral back to its origins in the work of Theocritus of Syracuse in the third century and plots its evolution due to cultural changes While all pastoral poems share certain generic traits Potts makes clear that pastorals are shaped by social and historical contexts and Irish pastorals in particular were influenced by Ireland's unique relationship with the land language and industrialization due to England's colonization For her discussion Potts has chosen six poets who have written significant collections of pastoral poetry and whose work is in dialogue with both the pastoral tradition and other contemporary pastoral poets Three poets are men John Montague Seamus Heaney Michael Longley while three are women Eavan Boland Medbh McGuckian Nuala Ní Dhomhnaill Five are English language authors while the sixth Ní Dhomhnaill writes in Irish Additionally some of the poets hail from the Republic while others originate from Northern Ireland Potts contends that while both Irish Republic and Northern Irish poets respond to a shared history of British colonization in their pastorals the 1921 partition of the country caused the pastoral tradition to evolve differently on either side of the border primarily because of the North's more rapid industrialization its more heavily Protestant population whose response to environmentalism was somewhat different than that of the Republic's predominantly Catholic population as well the greater impact of the world wars and the Irish Troubles In an important distinction from other studies of Irish poetry Potts moves beyond the influence of history and politics on contemporary Irish pastoral poetry to consider the relatively recent influence of ecology Contemporary Irish poets often rely on the motif of the

pastoral retreat to highlight various environmental threats to those retreats whether they be high rises motorways global warming or acid rain Potts concludes by speculating on the future of pastoral in contemporary Irish poetry through her examination of more recent poets including Moya Cannon and Paula Meehan as well as other genres such as film drama and fiction

The Divine Will and Other Poems Yogesh Singh Mohan, From times immemorial poetry has been an outlet of emotions impulses and ideas in innovative styles As far as my association with poetry goes I would say that writing poems suits me as I always intend to speak less and often in rhythms of my thoughts The moment the rhythm breaks the poem ends As far as I can understand it there's no specific theory to my writing of poetry The poems I wrote have a diverse range of subjects and are mostly written in different states of mind

**Idylls** Theocritus, 2003 Eucritus and I and pretty Amyntas turned aside To the farm of Phrasidamus where we sank down With pleasure on deep piled couches of sweet rushes And vine leaves freshly stripped from the bush The Greek poet Theocritus of Syracuse first half of the third century BC was the inventor of bucolic poetry These vignettes of country life centred on competitions in song and love are the foundational poems of the western pastoral tradition They were the principal model for Virgil in the Eclogues and their influence can be seen in the work of Petrarch and Milton Although it is the pastoral poems for which he is chiefly famous Theocritus also wrote hymns to the gods brilliant mime depictions of everyday life short narrative epics epigrams and encomia of the powerful The great variety of his poems illustrates the rich and flourishing poetic culture of what was a golden age for Greek poetry

By approaching these crucial issues from an unexpected angle through a study of the seldom-examined lyric, you Overheard Voices offers new insight into both contemporary lyric and the lyric genre more generally. The book offers detailed readings of Sylvia Plath, James Merrill, Louise Glück, and Frank Bidart.

Jarrell, Bishop, Lowell, & Co Suzanne Ferguson, 2003 *Jarrell Bishop Lowell Co Middle Generation Poets in Context* Takes on the oft noted but little explored friendship of three of the most respected poets of the twentieth century. Editor Suzanne Ferguson collects eighteen essays that explore the literary, personal, and political affiliations of Randall Jarrell, Elizabeth Bishop, and Robert Lowell, influential literary figures who flourished in the periods between modernism and postmodernism. Essays in the first section of the book directly compare the subjects, while sections on each of the poets follow. The contributors unpack received wisdom on the poets, revising and updating our conceptions. The multiple viewpoints reflect on one another, shedding provocative light on the group as a whole and revealing the ways the study of poets in their historical context helps make them not only accessible but also relevant to today's reader.
