Lost Years A Memoir 1945 1951:

Lost Years Christopher Isherwood, 2000-09 For nearly a half decade he all but ceased to write fiction and even abandoned his lifelong habit of keeping a diary

Lost Years Christopher Isherwood, 2000 European Writers in Exile Robert C. Hauhart, Jeff Birkenstein, 2018-10-26 European Writers in Exile collects a series of original essays that address the writers universal existential dilemma when viewed through the lens of exile who am I where am I from and what do I write and to whom While we often understand the term exile to refer to writers who have either been forced to leave their home country or region or chosen self exile this term need not be defined so narrowly and the contributors to this volume explore a range of interesting and evolving definitions Various countries in Europe have long been both a refuge for people and writers from many countries and a strife torn region which has forced many to flee within the continent or beyond it The phrase in exile involves writers moving across borders in multiple directions and for multiple reasons including for reasons of duress or personal quest and these themes are addressed and critiqued in these essays This volume naturally examines the cataclysmic and near universal exilic experiences relating to the world wars including essays on Thomas Mann Vladimir Nabokov Hannah Arendt and Leo Strauss Additionally essays address the unique early twentieth century experiences of Emile Zola Franz Kafka Joseph Conrad and James Joyce More contemporary essay subjects include Milan Kundera Norman Manea Eva Hoffman Caryl Phillips and W G Sebald This collection of transnational globalized European literature studies envisions understanding the intersection of our contemporary world and various writers in exile in new cultural historical spatial and epistemological frameworks How does literary production in an increasingly globalized world when seen from exile affect a view back towards a country or region left behind Or conversely how does exile push a writer to look outward to new transnationalized spaces These and other questions are important to investigate Taken in sum European Writers in Exile offers an academically rigorous important and cohesive volume

Gore Vidal S. T. Joshi, 2007 This comprehensive bibliography of Gore Vidal charts his career and covers the span of his sixty years of writing from his first novel *Williwaw* to his 2006 memoir *Point to Point Navigation*

Christopher Isherwood Jake Poller, 2025-04-12 A fresh and approachable critical biography of the twentieth century Anglo American writer Christopher Isherwood wrote modernist novels before he evolved into a pioneer of autofiction his novel *Goodbye to Berlin* inspired the hit musical *Cabaret* Everything changed when Isherwood emigrated to America in 1939 His newfound pacifism and studies as a Hindu monk led to new kinds of novels including *A Single Man* that reflected his evolving spiritual interests and blazed a trail for the gay liberation movement In this new biography Jake Poller takes a holistic approach to Isherwood exploring his life and writing as well as the impact of Vedanta philosophy on Isherwood's work This book offers a concise yet thorough account of a monumental figure

Queer Times Jamie M. Carr, 2013-10-23 This book maps Christopher Isherwood's intellectual and aesthetic reflections from the late 1930s through the late 1970s Drawing on the queer theory of Eve Sedgwick and the ethical theory of Michel Foucault Carr illuminates

Isherwood's post-war development of a queer ethos through his focus on the aesthetic social and historical politics of the 1930s in his novels *Prater Violet* 1945 *The World in the Evening* 1954 and *Down There on a Visit* 1962 and in his memoir *Christopher and His Kind* 1929 1939 1976 [Isherwood in Transit](#) James J. Berg, Chris Freeman, 2020-06-09 New perspectives on Christopher Isherwood as a searching and transnational writer Perhaps I had traveled too much left my heart in too many places muses the narrator of Christopher Isherwood's novel *Prater Violet* 1945 which he wrote in his adopted home of Los Angeles after years of dislocation and desperation In *Isherwood in Transit* James J Berg and Chris Freeman bring together diverse Isherwood scholars to understand the challenges this writer faced as a consequence of his travel Based on a conference at the Huntington Library where Isherwood's recently opened papers are held *Isherwood in Transit* considers the writer not as an English continental or American writer but as a transnational one whose identity politics and beliefs were constantly transformed by global connections and engagements arising from journeys to Germany Japan China and Argentina his migration to the United States and his conversion to Vedanta Hinduism in the 1940s Approaching Isherwood's rootlessness and restlessness from various perspectives these essays show that long after he made a new home in California and became an American citizen Christopher Isherwood remained unsettled although his wanderings became spiritual and personal rather than geographic Contributors Barrie Jean Borich DePaul U Jamie Carr Niagara U Robert L Caserio Penn State U University Park Lisa Colletta American U of Rome Lois Cucullu U of Minnesota Jaime Harker U of Mississippi Carola M Kaplan California State U Pomona Calvin W Keogh Central European U Budapest Victor Marsh Wendy Moffat Dickinson College Xenobe Purvis Bidhan Roy California State U Los Angeles Katharine Stevenson U of Texas at Austin Edmund White **The American Isherwood** James J. Rosamond Lehmann Selina Hastings,2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond s personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century

Exiles in Hollywood David Wallace,2006-07 Limelight Fleeing Nazi persecution half of Europe s creative talents including screen legend Greta Garbo and composer Igor Stravinsky were in Arnold Schoenberg s words driven into paradise settling in Los Angeles It was the greatest flight of European cultural and intellectual talent in history and for a time made Los Angeles a cultural capital Their presence enabling the evolution of film noir also changed American movies forever In *Exiles in Hollywood* David Wallace author of the national bestseller *Lost Hollywood* and whom columnist Liz Smith has called the maestro of entertainment history tells their dramatic stories His profiles of refugees include filmmaker Billy Wilder Alfred

Hitchcock Nobel Prize winning writer Thomas Mann the screenwriter Salka Viertel and her controversial relationship with Greta Garbo the deeply conflicted actor Charles Laughton and many more The result is a rich page turning look at an era its triumphs and tragedies its gossip and hidden facts and its colorful personalities **Shakespiritualism** J. Kahan,2013-02-27

This study concerns itself with a now forgotten religious group Spiritualists and how their ensuing discussions of Shakespeare s meaning his writing practices his possible collaborations and the supposed purity and or corruption of his texts anticipated accompanied or silhouetted similar debates in Shakespeare Studies **George Platt Lynes** Allen Ellenzweig,2021-11-09

George Platt Lynes The Daring Eye is a life of the gregarious American portrait dance fashion and male nude photographer whose career spanned the late 1920s to 1955 From age 18 Lynes entered the cosmopolitan world of the American expatriate community in Paris when he became acquainted with the salon of Gertrude Stein and Alice B Toklas Intending to pursue a literary and small press publishing career Lynes also began photographing authors like Stein Jean Cocteau Andr Gide and Colette Soon he turned exclusively to photography establishing himself as one of the premier fashion photographers in the Cond Nast stable documenting the early ballets of George Balanchine and pursuing his private obsession with seductive images of young male nudes almost never published in his time Lynes s private life was as glamorous and theatrical as his images with their brilliant studio lighting and dramatic Surrealist set ups Barely out his teens he met the publisher Monroe Wheeler who was already in a relationship with the emerging expatriate novelist Glenway Wescott The peripatetic threesome maintained a polyamorous connection that lasted some 15 years Their New York apartment became a mecca for elegant cocktail and name dropping dinner parties Their ménage trois complicates our understanding of the pre Stonewall gay closet This biography drawing upon intimate letters and an unpublished memoir of Lynes s life by his brother writer and editor Russell Lynes paints a portrait of the emerging influence of gays and lesbians in the visual literary and performing arts that defined transatlantic cosmopolitan culture and presaged later gay political activism **Atlantic Republic** Paul Giles,2006-11-23

Atlantic Republic traces the legacy of the United States both as a place and as an idea in the work of English writers from 1776 to the present day Seeing the disputes of the Reformation as a precursor to this transatlantic divide it argues that America has operated since the Revolution as a focal point for various traditions of dissent within English culture By ranging over writers from Richard Price and Susanna Rowson in the 1790s to Angela Carter and Salman Rushdie at the turn of the twenty first century the book argues that America haunts the English literary tradition as a parallel space where ideology and aesthetics are configured differently Consequently it suggests many of the key episodes in British history parliamentary reform in the 1830s the imperial designs of the Victorian era the twentieth century conflict with fascism the advance of globalization since 1980 have been shaped by implicit dialogues with American cultural models Rather than simply reinforcing the benign myth of a special relationship Paul Giles considers how various English writers over the past 200 years have engaged with America for various complicated reasons its promise of

political republicanism Byron Mary Shelley its emphasis on religious disestablishment Clough Gissing its prospect of pastoral regeneration Ruxton Lawrence its vision of scientific futurism Huxley Ballard The book also analyses the complex cultural relations between Britain and the United States around the time of the Second World War suggesting that writers such as Wodehouse Isherwood and Auden understood the United States and Germany to offer alternative versions of the kind of technological modernity that appeared equally hostile to traditional forms of English culture The book ends with a consideration of ways in which the canon of English literature might appear in a different light if seen from a transnational rather than a familiar national perspective

Stravinsky Stephen Walsh, 2010-06-09 Packed with rich and fascinating detail the third volume of the magisterial biography of Igor Stravinsky casts a brilliant new light on the greatest composer of the twentieth century Among the best musical biographies of the last half century patiently disentangling fact and myth Minneapolis Star Tribune This volume begins in 1934 when Stravinsky is fifty two and living in France Already regarded by many as the most important composer of his generation Stravinsky is nevertheless at this point a fairly unhappy expatriate all too aware of the war clouds beginning to gather Though he still maintains a family life with his wife and children much of his time is spent with his mistress Vera Sudeykina while traveling around Europe giving concerts in order to earn the money to support his dependents which include a number of relatives Composing of course remains the center of his existence But changes are imminent within only a few years his wife Katya will be dead his family scattered and Stravinsky himself together with Vera starting over again in America Stravinsky The Second Exile follows the composer through the remainder of his long life years during which he produces such masterworks as The Rake s Progress and Symphony in C and achieves a new level of fame as a conductor and raconteur in his own right With a dazzling command of sources in several languages and a keen feeling for accuracy in situations where truth and falsehood have become blurred Walsh traces and illuminates Stravinsky s increasingly complex and often agonized family relationships along with his crucially important connection with his associate Robert Craft Walsh is also as a musicologist and critic able to speak with knowledge and wit about Stravinsky s work expertly describing and assessing the composer s musical journey from the neoclassicism of his late French and early American periods through his early essays in serial technique and on finally to the astonishing intricacies of his final compositions The first volume of this biography Stravinsky A Creative Spring was received with glowing praise for its insight narrative skills and readability The period covered here beset as it is with myths and misconceptions is handled with even greater authority

Gender, Imperialism and Global Exchanges Stephan F. Miescher, Michele Mitchell, Naoko Shibusawa, 2015-03-09 Gender Imperialism and Global Exchanges presents a collection of original readings that address gendered dimensions of empire from a wide range of geographical and temporal settings Draws on original research on gender and empire in relation to labour commodities fashion politics mobility and visibility Includes coverage of gender issues from countries in Africa the Americas Europe and Asia between the eighteenth to twentieth centuries Highlights a

range of transnational and transregional connections across the globe Features innovative gender analyses of the circulation of people ideas and cultural practices Henry James and Queer Modernity Eric Haralson,2003-03-27 In Henry James and Queer Modernity first published in 2003 Eric Haralson examines far reaching changes in gender politics and the emergence of modern male homosexuality as depicted in the writings of Henry James and three authors who were greatly influenced by him Willa Cather Gertrude Stein and Ernest Hemingway Haralson places emphasis on American masculinity as portrayed in fiction between 1875 and 1935 but the book also treats events in England such as the Oscar Wilde trials that had a major effect on American literature He traces James s engagement with sexual politics from his first novels of the 1870s to his major phase at the turn of the century The second section of this study measures James s extraordinary impact on Cather s representation of queer characters Stein s theories of writing and authorship as a mode of resistance to modern sexual regulation and Hemingway s very self constitution as a manly American author *Lions and Shadows* Christopher Isherwood,2015-11-03 The debut work by the author of *The Berlin Stories* an autobiographical novel of his days as a Cambridge medical student and struggling writer in London Subtitled *An Education in the Twenties* *Lions and Shadows* blends autobiography and fiction to describe the inner life of a writer evolving from precocious schoolboy to Cambridge dropout at large in London s bohemia Throughout Isherwood shares thinly veiled portraits of his contemporaries including W H Auden Edward Upward and Stephen Spender whose intimate friendships and cult of rebellion shaped the literary identity of England in the 1930s Witty and outrageous Isherwood pokes fun at the stars of his generation above all himself even as he testifies to their unique early gifts
