Lost Chicago:

Lost Chicago David Lowe, 2010-10 The City of Big Shoulders has always been our most quintessentially American and world class architectural metropolis In the wake of the Great Fire of 1871 a great building boom still the largest in the history of the nation introduced the first modern skyscrapers to the Chicago skyline and began what would become a legacy of diverse influential and iconoclastic contributions to the city's built environment Though this trend continued well into the twentieth century sour city finances and unnecessary acts of demolishment left many previous cultural attractions abandoned and then destroyed *Lost Chicago* explores the architectural and cultural history of this great American city a city whose architectural heritage was recklessly squandered during the second half of the twentieth century David Garrard Lowe's crisp lively prose and over 270 rare photographs and prints illuminate the decades when Gustavus Swift and Philip D Armour ruled the greatest stockyards in the world when industrialists and entrepreneurs such as Cyrus McCormick Potter Palmer George Pullman and Marshall Field made Prairie Avenue and State Street the rivals of New York City's Fifth Avenue and when Louis Sullivan Daniel Burnham and Frank Lloyd Wright were designing buildings of incomparable excellence Here are the mansions and grand hotels the office buildings that met technical perfection including the first skyscraper and the stores trains movie palaces parks and racetracks that thrilled residents and tourists alike before falling victim to the wrecking ball of progress *Lost Chicago* is more than just another coffee table gift more than merely a history of the city's architecture it is a history of the whole city as a cultural creation New York Times Book Review **Lost Chicago** John Paulett, Judy Floodstrand, 2021-09-28 A chronicle of the city's great losses from old ballparks to lakeshore mansions *Lost Chicago* looks at the cherished places in the city that time progress and fashion have swept aside The series looks back in loving detail at many of the things that have helped create a city's unique identity that have since disappeared the streetcars the shops the parks the churches the amusement parks even the annual parades It looks at the architectural gems that failed to be preserved the hotels that could not be adapted and fell to the wrecking ball and the novelty buildings Famous landmarks much loved restaurants sports stadia movie palaces pleasure gardens piers and lake steamers plus the Union stockyards all feature along with the industries that once drove the Chicago economy but have since moved on *Lost Chicago* Department Stores Leslie Goddard, 2022-01-31 Within thirty years of the Great Chicago Fire the revitalized city was boasting some of America's grandest department stores The retail corridor on State Street was a crowded canyon of innovation and inventory where you could buy anything from a paper clip to an airplane Revisit a time when a trip downtown meant dressing up for lunch at Marshall Field's Walnut Room strolling the aisles of Sears for Craftsman tools or redeeming S H Green Stamps at Wieboldt's Whether your family favored The Fair Carson Pirie Scott Montgomery Ward or Goldblatt's you were guaranteed stunning architectural design attentive customer service and eye popping holiday window displays Lavishly illustrated with photographs advertisements catalogue images and postcards Leslie Goddard's narrative brings to life the

Windy City's fabulous retail past Lost Restaurant of Chicago Greg Borzo,2019-04-22 A Chicago author's tribute to the historic eateries and storied local haunts that the Windy City has loved and lost Many of Chicago's greatest or most unusual restaurants are no longer taking reservations But even if they're gone they're definitely not forgotten From steakhouses to delis these dining destinations attracted movie stars fed the hungry launched nationwide trends and launched a smorgasbord of culinary innovations Stretching across almost two centuries of memorable service and adventurous menus *Lost Restaurants of Chicago* revisits the institutions entrusted with the city's special occasions Noted author Greg Borzo dishes out course after course of fondly remembered fare from Maxim's to Charlie Trotter's and Trader Vic's to the Blackhawk

Chicago's Lost "L"s David Sadowski,2021 Chicago's system of elevated railways known locally as the L has run continuously since 1892 and like the city has never stood still It helped neighborhoods grow brought their increasingly diverse populations together and gave the famous Loop its name But today's system has changed radically over the years Chicago's *Lost Ls* tells the story of former lines such as Garfield Park Humboldt Park Kenwood Stockyards Normal Park Westchester and Niles Center It was once possible to take high speed trains on the L directly to Aurora Elgin and Milwaukee Wisconsin The L started out as four different companies two starting out using steam engines instead of electricity Eventually all four came together via the Union Loop The L is more than a way of getting around Its trains are a place where people meet and interact Some say the best way to experience the city is via the L with its second story view Chicago's *Lost Ls* is virtually a secret history of Chicago and this is your ticket Lost Chicago Wttw,2004-05-28 *Forgotten Chicago Airfields* Nicholas C. Selig,2014-05-06 Nick Selig excavates the highways to the sky that have been covered up by urban sprawl or dissolved by neglect More than a guide to landing strips that have had startling second lives as shopping malls or retirement homes he uncovers the excitement of the early days of air travel when a man might cling to his job as a lavatory truck driver for a closer peek at aviation In this follow up to *Lost Airports of Chicago* discover how a tractor swap gave birth to Clow International Airport and revel in the daredevil exploits of puddle jumper pilots over the wide open spaces of Harlem Avenue

My Chicago Jane Byrne,2004-07-23 The two fisted memoir of Chicago's first woman mayor Document United States. Congress. House. Committee on Rivers and Harbors, **Chicago by Gaslight** Richard Lindberg,2007-01-01 This book revises the picture of the glittering Chicago of impressive mansions and museums it exposes the city's corrupt underbelly and the realities of life in an age which is often assumed to have been simpler and more moral than ours Includes chapters on the Haymarket riot the gamblers wars the notorious levee red light district and institutionalized graft **Politics, Propaganda and the Press** Louise A. Clare,2023-03-20 This book examines British and Argentine media output in the prelude to and during the 1982 Falklands Malvinas Conflict and acknowledges the aftermath and legacies of the media response Yards of ink have been spilt reinforcing the view that the Argentine Junta's action on 2nd April 1982 was a diversion from domestic tensions This view coupled with the paucity of any thorough in depth analysis afforded to Argentine media aspects of the War

particularly the press necessitates this volume's copious international study of the Conflict. Uniquely US media output is also analysed alongside Britain's and Argentina's all drawing upon Cold War historiography and media theory with a view to contesting the traditional consensus that media outlets merely reflected government opinion during the Crisis providing almost no effective dissent. Asserting media and culture influenced the climatic decision making process of key actors in the Conflict this book's triangulated approach explores the integral influencing role played therein by culture and how it was not only instrumental to government actions but also to Argentine British and US media output. This book's revisionist approach makes it a reference point for any nascent research on Falklands/Malvinas media reporting and Argentine and international approaches particularly the US to the 1982 Conflict.

Survive The Great Chicago Fire With The Characters In This Graphic Illustrated History Book *Seismological Bulletin*, 1939 *Essays in Air Law* A. Kean, 2024-11-25

Beyond the Windswept Dunes Elizabeth B. Sherman, 2003

The first book to document the maritime history of the port city Muskegon combining historical detail and good storytelling. Beyond the Windswept Dunes takes the reader into a world of maritime adventure as it was experienced by the sailors, passengers, rescue workers, shipping magnates, industrialists and many other people whose livelihoods revolved around Michigan's port city of Muskegon. At one time the leading edge of westward expansion Muskegon was a place where lumbering and lakers merged and where rails met decks, a place situated midway along the coast of a great and sometimes stormy inland sea. Here Elizabeth Sherman offers both a shipping history and a portrait of the city. The events covered range from the visit by the British sloop H M S Felicity in 1779 through Muskegon's boom years as Lumber Queen of the World from the city's revitalization with the opening of the St Lawrence Seaway to its recent establishment of a floating museum complex for historic naval vessels. The book's focus is on the ships themselves such as the Lyman M Davis, Salvor Highway 16 and Milwaukee Clipper vessels that were noteworthy for being the first of their kind or for their popularity, unusual and distinctive careers or tragic losses. A number of ships were lost in Lake Michigan near Muskegon Harbor and the stories of some of the most notable wrecks and rescue missions appear in this book including the psychic intervention that led the William Nelson to the exciting rescue of the crew aboard the sinking Our Son. The book offers many first hand statements of shipwreck survivors and other witnesses lending an authentic voice to the accounts.

The Cap and Gown, 1912 *King of the Gold Coast* Wayne Klatt, 2011-07-22

Chicago's breathtaking Lake Shore Drive with its beaches and luxury homes has its origin in a neglected marsh and a clandestine land development. Meet the uncrowned king of the disputed shore George Wellington Streeter the outlandish swindler, unlikely hero and self-proclaimed founder of the Gold Coast who tried to secede from the state of Illinois. Opposing him was the quiet vision of Potter Palmer and the full weight of his investment syndicate. With this keen piece of investigative history Wayne Klatt uncovers the secrets that both sides of the conflict managed to keep in spite of lawsuits, state inquiries, a presidential forgery and two murder trials.
