Lost In The Crowd:

What Eve Wants to Hear from Adam Michael J. Davis, 2012-08 IN A WORLD that is full of technology and modern advances in everything from medicine to solar fusion it is so interesting that the most common issues of life seem to still have man confused and with no concrete answers from the common cold to how to get along with each other Mankind has been involved in some type of war or interpersonal conflict since the beginning of time from Cain and Abel to Rome's desire to conquer the world to Hitler's attempt to control Europe Some attempts at control have involved masses and some have involved just two The most fundamental relations are between a man and a woman and the products of their union mothers and fathers and their relationship to their children We find ourselves in the twenty first century still trying to explore and master the elements that make a relationship move without conflict We are still trying to discover the key to making a relationship work and without emotional or psychological injuries to anyone As we grow and mature we are ever aware of the difference in the concepts and attitude displayed by both men and women We are more conscious of the differences and attempt to adjust our behavior to accommodate the needs of others Women are from a different DNA makeup and make different needs and priorities Because of our lack of understanding of these needs we inflict needless pain and discomfort on each other We must open our hearts to each other so that we can operate in an environment that promotes love understanding and well doing to others This collection of poetry addresses some of my observations in regard to what I think women desire from men They need to feel secure wanted and loved There is no perfect relationship and no perfect man or woman However there is a balance that can be reached that will allow us to better understand each other *Spoony and the Lost Hammer of Darkerden* Mark Woodley, 2023-10-13 ARE YOU READY FOR ADVENTURE Join Spoony and his gadget building friend Weeble in an exciting tale of mythical creatures and a long hidden dwarven kingdom Our two heroes must help Slammer the Haimen regain the Lost Hammer of Darkerden before the gate wards fail and the kingdom is exposed Will they locate the hammer in time or will Darkerden fall *Lost and Found* Mark Landon Jarvis, 2023-07-08 All is lost After five years of destruction and chaos a brainwashed world careens towards annihilation An unlikely cast of characters pulls it together with bootstrapped tech on borrowed time to beat back corporate giants and contain the mindless mob It's the fight of their lives in this near future sci fi thriller Ashley Winston's lost it all her lover her reputation and her empire All is lost After five years of destruction and chaos a brainwashed world careens towards annihilation An unlikely cast of characters pulls it together with bootstrapped tech on borrowed time to beat back corporate giants and contain the mindless mob It's the fight of their lives in this near future sci fi thriller Ashley Winston's lost it all her lover her reputation and her empire Rival corporations have stolen and weaponized the Rainmakers her father's airships She can't resist a good fight and for her and her ragtag crew this is The Good Fight How can they win against the infinite resources of an emerging teleportation corporate giant the Port Authority If Winston fails this showdown in Wyoming will establish one iron fisted powerhouse to

impact of speculative storytelling **Lost, Hidden, Small** Kate Haynes Murphy, 2025-10-14 I loved this book for its wisdom message and welcome its depth and its many charms especially the clear and deeply human voice of the author Pastor Kate ANNE LAMOTT In this stirring book of spiritual formation a pastor asks What if the abundant life lies in finding what's been lost uncovering what is hidden and learning to hope in what is small The Christian industrial complex teaches us that whatever is centered celebrated and large is a movement of God and that Jesus is at work in existing structures So why are we surprised that many churches are obsessed with power size and reputation and that people are leaving them in droves Jesus warned us not to expect his reign to resemble the empire He knew it would be hard for us to recognize true faithfulness so he gave us sacred stories In parables we learn of lost coins and sheep and people being found of hidden treasure being uncovered and of small and weak things that heal and transform In the tradition of clergy writers like Barbara Brown Taylor and Gregory Boyle pastor Kate Murphy excavates the wisdom of Jesus's parables She tells stories of failures in the dominant church of broken places within herself and of an exploding watermelon that sends her over the edge Through practices like shalom kinship surrender failure and humility we find our lost selves in Christ seek a God who hides and see the glory of infinitesimal things Living faithfully in a culture of violence hierarchy and supremacy Murphy maintains means following Jesus into weakness loss and even despair But this is not some bitter prescription for a dying church It's the story of how sometimes what seems undesirable actually satisfies Sometimes what looks as if it will diminish you ends up being what saves Sometimes following the way of Jesus means letting yourself be astounded by the authentic grace of what is lost hidden and small **Sci-Fi Box Set: 140+ Dystopian Novels, Novels Space Adventures, Lost World Classics & Apocalyptic Tales**
