

Lost Ireland

Ralph Riegel, John O'Mahony

Lost Ireland:

Northern Ireland's Lost Opportunity Tony Novosel, 2013-01-07 Rejecting the dominant narratives of the Troubles this is a unique in depth investigation into working class Loyalism in Northern Ireland as represented by the Ulster Volunteer Force UVF the Red Hand Commando RHC and their political allies In an unorthodox account that disputes the idea that loyalism was apolitical and sectarian Tony Novosel argues that loyalist groups seen as implacable enemies by Republicans and the left developed a political analysis of the Northern Ireland conflict in the 1970s which involved a compromise peace with all political parties and warring factions something that historians and writers have largely ignored Distinctive deeply informed and provocative Northern Ireland's Lost Opportunity is the first study to focus not on the violent actions of the UVF RHC but on their political vision and programme which Novosel argues undeniably contributed to the Conflict Transformation Process by upholding the potential for a viable peace based on compromise with all groups including the Irish Republican Army

Missing in Action: The 50 Year Search for Ireland's Lost Soldier Ralph Riegel, John O'Mahony, 2010-08-23 The interior of the old Ford armoured car stank of sweat blood and acrid smoke Pat's eyes desperately struggled to focus in the gloom of the biting cordite fog On 15 September 1961 Trooper Patrick Mullins was posted missing after the bloody ambush of an Irish UN convoy in a suburb of Elisabethville in the Katanga province of the Congo The circumstances of that fateful day have remained shrouded in confusion and contradiction for five decades until now Missing in Action reveals for the first time how an ill equipped and heavily out gunned Irish soldier fought with astonishing courage against heavily armed and ruthless Katangan gendarmes Through interviews with the survivors and access to military intelligence sources the truth about Trooper Mullins heroic last stand and ultimate fate can now be told *New Worlds, Lost Worlds* Susan Brigden, 2002-09-24 No period in British history has more resonance and mystery today than the sixteenth century *New Worlds* *Lost Worlds* brings the atmosphere and events of this great epoch to life Exploring the underlying religious motivations for the savage violence and turbulence of the period from Henry VIII's break with Rome to the overwhelming threat of the Spanish Armada Susan Brigden investigates the actions and influences of such near mythical figures as Elizabeth I Thomas More Bloody Mary and Sir Walter Raleigh Authoritative and accessible *New Worlds* *Lost Worlds* the latest in the Penguin History of Britain series provides a superb introduction to one of the most important compelling and intriguing periods in the history of the Western world

Michael Collins: The Lost Leader Margery Forester, 2006-09-12 In print continuously for more than thirty years this book is long established as a reliable and affectionate portrait of Michael Collins First published in 1971 its great strength is that the author was able to interview Collins surviving contemporaries and was offered unrestricted access to personal and family material Michael Collins *The Lost Leader* has been praised by authorities such as Robert Kee and Maurice Manning and remains compulsive reading even today

Canada to Ireland Michele Holmgren, 2021-12-15 In the eighteenth and nineteenth centuries Irish writers played

a key role in transatlantic cultural conversations among Canada Britain France America and Indigenous nations that shaped Canadian nationalism Nationalism in Ireland was likewise influenced by the literary works of Irish migrants and visitors to Canada Canada to Ireland explores the poetry and prose of twelve Irish writers and nationalists in Canada between 1788 and 1900 including Thomas Moore Adam Kidd Lord Edward Fitzgerald Thomas D Arcy McGee James McCarroll Nicholas Flood Davin and Isabella Valancy Crawford Many of these writers were involved in Irish political causes including those of the Patriots the United Irish Emancipation Repeal and Young Ireland and their work explores the similar ways in which nationalists in Ireland and Indigenous and settler communities in Canada retained their cultural identities and sought autonomy from Britain Initially writing for an audience in Ireland they highlighted features of the landscape and culture that they regarded as distinctively Canadian and that were later invoked as powerful unifying symbols by Canadian nationalists Michele Holmgren shows how these Irish writers and movements are essential to understanding the tenor of early Canadian literary nationalism and political debates concerning Confederation imperial unity and western expansion Canada to Ireland convincingly demonstrates that Canadian cultural nationalism left its mark on both countries Contemporary decolonization movements in Canada and current cultural exchanges between Ireland and Indigenous peoples make this a timely and relevant study

They Played Rugby for Australia 2023 edition Eric Lemon,Teejay Haar,2024-04-12 Over 500 pages of facts statistics and records of every match and every player for the Australian national Rugby Union team from the first match in June 1899 up to December 2023 **Ireland's Lost Birds** Gordon D'Arcy,1999 This book is concerned with the disappearance of a number of once familiar Irish birds The 12 case studies which make up the core of the book were compiled from a combination of literary and archaeological sources Lost Mansions J. Raven,2015-04-29 This provocative volume stimulates debate about lost heritage by examining the history of the hundreds of great houses demolished in Britain and Ireland in the twentieth century Seven lively essays debate our understanding of what is meant by loss and how it relates to popular conceptions of the great house Dividing Ireland Thomas Hennessey,2005-06-20 This book provides an original assessment of the First World War in Ireland and its consequences the key to understanding the complexities of the Irish nation today Thomas Hennessey explores how the War transformed the nature of the Irish and Ulster questions from devolved self government within the UK to a free Irish republic outside the British Empire considering such influential figures as de Valera and Michael Collins and issues such as conscription He examines both this process of re evaluation and the vital question of the consequences for Northern Ireland today *The Nautical Magazine and Naval Chronicle* ,1839

Ireland's 1916 Rising Mark McCarthy,2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland s 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It

draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire's foundations and enthused independence movements elsewhere Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance

The Nautical Magazine and Naval Chronicle for 1839 Various, Various Authors, 2013-02-28

The 1839 Nautical Magazine includes articles on Nelson's column anti slavery measures lightning conductors new lighthouses steamship accidents and Antarctic exploration

The Nautical Magazine and Naval Chronicle... a Journal of Papers on Subjects Connected with Maritime Affairs, 1839

Ireland (Eire) Margaret L. Plunkett, 1980

Graveyard of the Pacific Randall Sullivan, 2023-06-06 A vivid portrait of the Columbia River Bar that combines maritime history adventure journalism and memoir bringing alive the history and present of one of the most notorious stretches of water in the world Off the coast of Oregon the Columbia River flows into the Pacific Ocean and forms the Columbia River Bar a watery collision so turbulent and deadly that it's nicknamed the Graveyard of the Pacific Two thousand ships have been wrecked on the bar since the first European ship dared to try to cross it in the late 18th century For decades ships continued to make the bar crossing with great peril first with native guides and later with opportunistic newcomers as Europeans settled in Washington and Oregon displacing the natives and transforming the river into the hub of a booming region Since then the commercial importance of the Columbia River has only grown and despite the construction of jetties on either side the bar remains treacherous even today a site of shipwrecks and dramatic rescues as well as power struggles between small fishermen powerful shipowners local communities in Washington and Oregon the Coast Guard and the Columbia River Bar Pilots a small group of highly skilled navigators who help guide ships through the mouth of the Columbia When Randall Sullivan and a friend set out to cross the bar in a two man kayak they're met with skepticism and concern But on a clear day in July 2021 when the tides and weather seem right they embark As they plunge through the currents that have taken so many lives Randall commemorates the brave sailors that made the crossing before him including his own abusive father a sailor himself who also once dared to cross the bar and reflects on toxic masculinity fatherhood and what drives men to extremes Rich with exhaustive research and propulsive narrative Graveyard of the Pacific follows historical shipwrecks through the moment by

moment details that often determined whether sailors would live or die exposing the ways in which boats sailors and navigation have changed over the decades As he makes his way across the bar floating above the wrecks and across the same currents that have taken so many lives Randall Sullivan faces the past both in his own life and on the Columbia River Bar

Forty-seven Identifications of the British Nation with the Lost Ten Tribes of Israel Edward Hine,1876

Miscellaneous writings Hugh K. McClelland,1920 Cobbett's Parliamentary Debates Great Britain. Parliament,1887

Hansard's Parliamentary Debates Great Britain. Parliament,1887 *Ireland 1798-1998* Alvin Jackson,2025-03-24 The new edition of Alvin Jackson s highly influential survey of 200 years of Irish history In Ireland 1798 1998 War Peace and Beyond award winning historian Alvin Jackson provides a well balanced and authoritative account of modern Irish political history Drawing on original research and extensive readings in current scholarship the author surveys Irish political parties leaders and movements with a special emphasis on the tension between Irish nationalism and unionism Opening with a wide ranging introduction to Irish history the text describes the varieties and interconnections of the Irish political experience through a sustained and coherent historical narrative beginning with the creation of militant republicanism and militant loyalism in the 1790s Reader friendly chapters interweave social economic and cultural material while offering fresh analyses of familiar historical issues and personalities This third edition contains expanded coverage of the most recent political developments in Ireland both North and South A new epilogue examines the impacts of the Good Friday Agreement the global banking crisis Brexit and COVID 19 on Irish politics and institutions The most up to date interpretation of modern Irish political history available in a single volume Ireland 1798 1998 War Peace and Beyond Third Edition is a must read for undergraduate and graduate students working on Irish and British political history as well as general readers with an interest in the subject
