love (luv) n. Sorensen Karen Porter, 2009-11-18 Looking for the perfect meaning of love. Ask a perfect stranger. That's what Karen Sorensen did on the streets of New York City. She set up a table, put out a sign that read Love Research and asked the passersby: Have you ever fallen in love? What does love mean to you? Has your love ever been tested? How do you prepare for love? From a jaded inner city teen to a five year old translating for his Russian Grandmother, people from all walks of life lined up to take part. Every answer won the respondent a flower and Karen a new understanding. Hundreds of interviews and flowers later, this delightful, moving, even profound book brings together the most entertaining and enlightening reflections on the meaning of love ever gathered into one volume. Love, luv, noun, because love really is in the eye of the beholder.
